Miss Elnore Cabbell, Secy.
Miss Sadie Jones
Mr. Manuel Bailey

We your committee on Temperance submit the following report. In consideration of the fact that our present administration has succeeded in bringing back that mighty evil, intoxicating liquor; be it resolved that this body go on record as opposing this horrible traffic now spreading through our country, which is do detrimental to our young people. Further be it resolved that we do all in our power to discourage our group in supporting or participating in these places of vice and immorality.

We should remember as young people that God's word declares that. "wine is a mocker and strong drink is raging and whosoever is deceived thereby is not wise."

Since we are created in his image and since He has said, I call upon you young men because you are strong we feel it is our duty and a very high privilege to work together with God in driving out this great enemy to humanity. We further resolve that we pledge ourselves to co-operate with any group 100% in attempting to destroy this dragon.
