TO: AAAP Members

FROM: Robert J. Eckroade, Secretary-Treasurer

SUBJECT: Constitutional Amendment

At the Annual Meeting of the American Association of Avian Pathologists in Salt Lake City, Utah the Board endorsed the amendment to the constitution to eliminate the 3 year requirement for AAAP membership.

Article IV, Section 2, Paragraph 2 - Members

(a) to be left unchanged

(b) which now reads

"Have satisfactory moral and ethical standings in the profession and a minimum of three years experience in avian diseases."

to read

"Have satisfactory moral and ethical standing in the profession."

Article IV, Section 2, Paragraph 4 - Associate Members

(a) which now reads

"Veterinarians who are U. S. residents but are not members of the AVMA and persons without a degree in veterinary medicine who have been engaged in some phase of avian pathology for a minimum of three years and who have made significant contributions to the knowledge in this field."

to read

"Veterinarians who are U. S. residents but not members of the AVMA and persons without a degree in veterinary medicine who are engaged in some phase of avian diseases and who have made significant contributions to the knowledge in this field."
