

AMERICAN ASSOCIATION OF AVIAN PATHOLOGISTS

50th ANNIVERSARY & AWARDS BANQUET

Tuesday, July 17, 2007
Grand Hyatt Hotel
Washington, D.C.

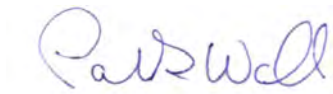

Dear Colleagues and Guests:

It is with great pleasure that I welcome you to the 50th annual AAAP Awards banquet and birthday celebration. This year we have the opportunity to honor both the members of AAAP that have made outstanding contributions to avian medicine and the poultry industry, and those esteemed members who were the founders of our association. This celebration allows all of us to welcome our newest members, renew old friendships, and interact with those individuals who made all of this possible by starting AAAP.

A special thanks is given to those whose generous gifts have made possible many of these awards. In addition, I would also like to thank those listed on the following pages who have contributed both financially and with donations of their time that made this AAAP Awards Banquet and 50th Birthday celebration possible.

Finally, I would like to thank the AAAP Awards Committee for their monumental efforts and dedication so that we can recognize the outstanding accomplishments of our fellow AAAP members.

Congratulations to all of the award recipients!

A handwritten signature in blue ink that reads "Pat Wakenell". The signature is written in a cursive, flowing style.

Pat Wakenell, President, AAAP
