Dear Brother Reeler:

Enclosed find ~~check~~ warrants 32 and 33 for which you will please draw checks as follows:

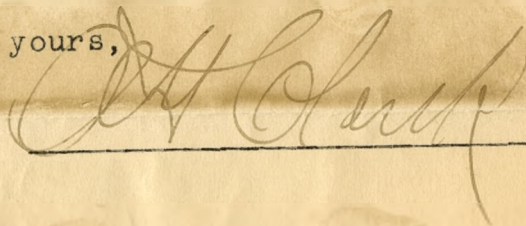

One check on the Burial Fund for \$100.00 in favor of Leonard Walker, Worshipful Master of Cedar Grove lodge No. 18, on account of the death of Bro. James Blackwell, late a member of said lodge.

One check on the Relief Fund for \$50.00 in favor of Mrs. Carry Blackwell, widow of Bro. James Blackwell, late a member of Cedar Grove Lodge No. 18 at Haydock, Iowa, of which Leonard Walker is Worshipful Master. Address P. O. bBox 61, Haydock, Iowa.

I am pleased to inform you that I arrived home safe Friday morning and spent the most of the day in bed and was thus able to go to work Saturday morning feeling about normal and have been improving ever since. I think I was just tired out but was trying to stand up when I ought to have been in bed. I have been batching it since Saturday as Mrs. Clark went to Washington that evening to be with her sister who is quite sick.

Give Mrs. Reeler my kind regards and many thanks for her hospitality, and to disabuse her mind of any thought that it was any thing I eat that made me ill, for it was not. My only regret was I could not eat more.

Fraternally yours,

  
G. M.
