Keokuk Iowa

Dear Sir + Bros

I arrived in Albia 11 o'clock Sat the 16th  
the train was 2 hours + 15 minutes late  
found them waiting for me I  
installed the officers of Albia Star Lodge  
the elect + appointed also delivered the Charter  
they are in need of instruction but owing  
to the fact that it was public + the  
lateness of the hour was unable to give  
them very much instruction as also  
most worshipful they have no jewels  
over

I told them that it would necessary that  
they have them. they are planning on me  
coming back some times soon as I am  
so close to them so they may get some  
instructions

Regards to Mrs Gross

Faremally yours

Albert Gater

Grand. Custodian

P.S. the only instruction that I could give was  
what few minutes I had with the Master  
& Sena warden on our way home & that  
was very little
