Bro. William Gross, Grand Master,  
1319 Fulton Street,  
Keokuk, Iowa.

Dear sir and brother:

Doubtless ere this you have heard of the convention that was held in our city on the 27th ultimo and its results. You had a fine representative present. I enjoyed his association very much, although I had anticipated that you would be here yourself which I regret.

I had preserved a very important Court Ruling on the Fraudulent Masonry as advocated by that man Bell of Detroit published in the Masonic Herald of Kentucky for you to read, and as much as you did not come, I am inclosing herewith the paper thinking that it will be of importance and information to you. After you have read it, you may send the clipping back to me.

Hoping success for our Grand Masonic Order and Branches, I remain

Fraternally yours,

JLT:HB
