My Dear Grand Master; - Yours  
of the 8<sup>th</sup> to hand and contents noted  
The letter addressed to Mrs Fields should  
have been for Companion W B Johnson  
the delegate who was up here at the Grand  
Chapter Organization my stenographer  
have either misunderstood my dictations  
as she is new in this office.

I thank you for your words of congrat-  
ulations on my selection as G. H. P. with  
your full cooperation with all the rest of  
Companions I trust that we will succeed  
and that our action was a wise one

I beg to remain Fraternally Yours
