Dear Sir

I am writing you
about a matter which concerns
my husband. who is connected
with the Masonic lodge of
this City two years & half ago
he was given two degrees in
this lodge since that
time we have been living
apart, & they refused to give
him his 3rd degree for
he has failed to support his
two children as he should
& last wk. he came back
here for the holidays and
while here 3 of the

macons including the master
taken him over to mason
City Ia. & gave him his
3rd. degree. unbeknown to
all of their members here &
knowing him to be unworthy
of it hoping you will
investigate this matter.

Yours Truly
Mrs M. Buckner
