Oskaloosa, Iowa.

Dear Grand Master. I hope these few lines will find you about rested from your very busy week of work at the Grand Lodge. I hope you arrived home Ok. and also found Mrs. Clark, in good health. I want to thank you for the honor that you conferred upon me by reappointing me as Deputy, G. M. I knew that you did it from the heart because after you and I had talked the matter over and you knew just how I felt and that I would not have thought hard of you if you had not reappointed me and I sure appreciate the Brotherly act my Brother and my wife thought it was so nice you too. Well we left Cedar Rapids, at 7 P.M. and I drove all night and we got on the wrong trail and got lost and we went about 25 miles out of the way but in spite of that we arrived home at 8 A.M. and found my wife and Sister quite well and this leave my wife well but my Sister is not well. Referring back to the session I think we had one of the most impressive sessions that I have attended for some time. The programs was rendered at the Churches so beautifully.

My wife joins in with love to you both  
I beg to remain Fraternally your.
