Dear Sir and Brother.

I am writing you this letter calling your attention to several things that I would like to inform you of.

The first is that I am in possession of a letter from the daughter of our deceased brother who died in August in Detroit Michigan in the person of Mrs. Rosa Williams of Detroit. She is desirous of having the death claim adjusted in the near future.

At the time I first notified you of brother Frank Hestor's death you mailed me the warrant to be filled out which I did as near as I could, holding same for the proper time when I could hear from Mrs. Williams. During this time I have misplaced the blank and am unable to find same now. If you will kindly send me another one so that I can get it to you as soon as possible I will appreciate same very much and pay you for your trouble on my part.

Secondly I wish to notify you of present master and secretary for the year of 1927 as required by you; they are Edward Mease W. M. 852 West 14th St.

Clarence M. King Secretary, 1302 Park St.

I am also notifying the Grand Secy to the same effect.

Thirdly, Our good brother and past Grand Junior Warden Brother C. B. Woods died today at 10am. after a long lingering illness. Funeral arrangements have not been made as yet.

Your christmas card was received with the greatest pleasure, many thanks.

Hoping to receive the warrant by return mail and thanking you for past favors, I remain

Yours fraternally,

852 West 14th St.
