Grand Master Sir & Bro.

Your letter came to me this afternoon calling my attention to the check that I gave the Grand Lodge in payment of Grand Lodge dues of my Lodge. I had a letter from the Grand Treasure a few days ago calling my attention to the same fact. I answered his letter a few days ago telling how this happen. It was an oversight of the treasure failing to put the money taken in the first friday night in the month of July in the bank. The money has been deposited at this time. But my treasure is out of town on a vacation at this time. I am looking for him in the latter part of the week, and I will send same immediately to the Grand treasure. I am sorry that this happen. Trusting that this information will meet your approval.

Fraternally Yours,

W. C. Buick
