Dear Sir and Bro. -

Washington, Iowa, 6-5-1925

This comes to inform you that Bro. Wm. A. Watts was elected W. M. at the Regular Communication on last Thursday night, vice Bro. C. M. Green, resigned. Unanimous. Do you want another term of the office and have you anyone in mind to place you in nomination? Does not seem like one term gives one the inside and work that they should have. Let me hear from you soon. When you get home hope that everything was all right and that now you ^{now} have got back to normal. Remember me to all friends. Am going out to Council Bluffs to the convention next week and may see you on my return. Will be in Astoria Sunday for a short time. Wish you would send me Clara's address. I had it but I haven't it.
Yours Frat. N. L. Black Sec 44
