Mr. A. G. Clark, Grand Master,

Oskaloosa, Iowa.

My dear Grand Master:

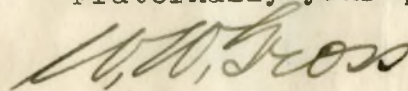

Replying to yours of 17th inst. which had to do with your modification of the act of the Grand Lodge in the matter of printing the lately approved burial ceremony, I will state that I shall not complain because of your action.

Nor do I think Brother Watts, who seemed most interested in having the Grand Lodge adopt some one service for uniform practice throughout the jurisdiction, will find fault with your scheme to print the service separate and apart from the proceedings, as directed by the Grand Lodge. The good points to be found in your plan may outweigh those going to the merits of the Grand Lodge's plan; there being something to be said in favor of the latter.

I shall ask you now what I intended in my former letter; and that is; if perchance you soon receive any copies of proceedings from sister Grand Lodges wont you loan them to me. The reason for this request is so obvious that it now seems to me certain that you would have seen that I got them without my asking.

Regards to Mrs. Clark.

Fraternally yours,

C.C.F.C.
