Dear G.M.;

Yours of the 3rd recd. and I hasten to reply as I think your idea of running a list of the Past Grand Officers an excellent one and if you have the time to prepare the copy I shall appreciate it very much and I know that it will be a very interesting asset to our minutes.

I am also enclosing, Grand Rep. of Foreign Juris. Will you kindly make corrections on the margin.

Thanks for the information furnished.

I am pegging away and hope to get things rounded up now within the next ten days.

Hoping that you and Mrs Clark are enjoying the best of health
I remain

Fra.yours,
