*Dear Hank—*

*I have taken the liberty to give your name and address to a young Medical Doctor now interning in Keokuk City. He seeks a location in Iowa. I have thought Ottumwa might be a good field for him since all our Medical Doctors have a mixed "congregation" in this state. And knowing you to be the biggest B. H. in Ottumwa I have put him in touch with you.*

*Dr. Barney's name is so do you*

*How every thing else. Mrs Brewster from your City... Bro Poles... night*
