Cedar Valley Lodge #44  
Des Moines, Iowa

Dear Bro.:

I mailed to you in conjunction with all of the other Worshipful Masters of the Jurisdiction a questionnaire on condition of your lodge and requested that it returned after your stated meeting in June.

I failed to receive it up to the present.

Enclosed please find another which will fill out and return at once as I need this record for my guidance.

Fraternally yours,

*H. A. Martin*
