Mr. Percy Parker, Grand Master  
7 South Ohio Street  
Mason City, Iowa

Dear Sir:

In talking to Mrs. James Woods of Des Moines, I find that she has a claim against the Grand Lodge in the amount of \$100.00 due to the death of her husband, James Woods, last summer.

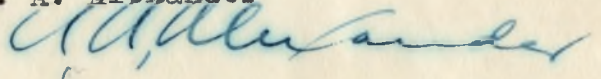

She has contacted a number of Masons in regard to this claim and so far has had no response. As I am interested in Mrs. Woods and her welfare, I am asking you to inform me as to when she may expect this claim to be paid.

She was told at the time of the death of Mr. Woods that the claim would be settled within ninety days and of course she expected this to be done and had made some commitments depending upon the settlement. It will put her in a very embarrassing situation unless this is taken care of immediately.

May I hear from you?

Very truly yours,

A. A. Alexander
