Dear Perc

How are you old boy, I am sorry
I don't have time to write you a longer
letter at this writing as I am at work
as there are a number of things I would
like to talk over with you, I think that
many of us have moved for the last time
for a while anyway as we are now buying
a place 1422 De Wolf St. Telephone no
6-2736. Love from all of us to all of you.
