Mason City, Iowa.

Dear Sir & Bro.

I am in receipt of orders of at least 10 or 12 rituals & monitors out in the jurisdiction, but as yet have not heard from D. G. M. Joyce in regards of Contingent fund so that I may properly conduct my office of G. C. in seeing to it the Craft receive these books of instruction if & when ever ordered promptly. I would most appreciate it if you would rewrite him as I suppose you have already done so, and ask him what the hold up is as I am anxious to get to work, or if necessary I suppose you could make other arrangements for me please. I am also enclosing health certificate & re in statement petition P. M. Leonard Walker who was a member of the old Albia Lodge. He tells me that he is a Past Master of that Lodge and was suspended for non-payment of dues which was \$2.50, he is desirous of receiving a Grand Lodge Demitt, because their charter has been surrendered to the Grand Lodge. If accepted how much will this cost him?

I received a letter from Bro. C. T. Culbertson G. S. the other day in which he mentioned the fact that you & him had talked of visiting the Waterloo Lodge on August 6th & 7th do you still plan on doing that at that time or had you planned on it? Personally I don't feel as though I am able to make the trip there at this time though I certainly would like to be there if you are going to be. I received a very encouraging letter from Bro C. H. Owens W. M. #1 today, I take it that their Lodge is really working. So again I say Grand Master I most sincerely wish you a very successful & prosperous administration.

fraternally yours, C. M. May Jr. G. C.
