Sept. 21st, 1939

Mr. Percy Parker, Grand Master,
No. 7 S. Ohio St.,
Mason City, Iowa.

My dear Grand Master:-

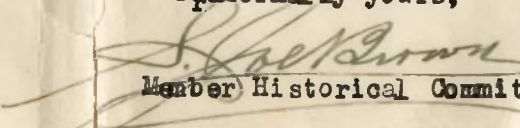

I am writing to advise you that I have this day turned over to Rt. W. Bro. Geo. L. Suter, Publisher, the copy of the Clark History which I have had in my possession since 1929, together with some suggestions that I had with reference to bringing down to date the statistical tables which Bro. Clark prepared and brought up to the year 1939, as Bro. Suter said he had no copy of the manuscript and that Bro. I. L. Brown had none and that he therefore had nothing with which to work.

He also stated that he had had no communication from you since the Grand Lodge and I think is rather expecting some instructions from you before starting the work.

Am therefore suggesting that you write him giving any suggestion that you have as I think he plans to turn the manuscript over to the printer at once.

Hoping that yourself and family are quite well and with kind regards from Mrs. Brown and all the brethren here, I beg to remain,

Fraternally yours,

 , P.G.M.
Member Historical Committee.
