M.W. Sir and Brother:-

After extending to you and yours the greetings of the season, am writing to advise you that our junior Past Grand Master, M.W. Bro. Braham H. Hyde is in Room 337 Mercy Hospital, this city where he had a major operation last Saturday.

I visited him last evening and he seemed to be getting along fine and a call to the hospital just reveals the report that his condition is still good; but since we never can tell what a sudden change might effect in these cases, I felt that the other P.C.M.'s should be notified that they might drop him a convalescent card or other word of encouragement; as these things mean so much in a time like this.

Hastily and Fraternally, yours,

, P.C.M.
