Dear Carl, Hello how sad I do feel
 Now I had dreams of you Fri
 day night. Mama's eyes are failing
 she is old other than that she is
 under the Dr.

Her family is small all the
 boys are in service. Happy to hear
 from you. but poor conditions
 kept me from doing the things I
 should do.

Mama has worried about
 you and wondered if you were
 ever has stated I hope to visit
 Please consider these words
 I write out of my Soul.
