Dear Sir and Bro., Greetings:

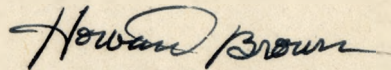

I received your letter today.

I will try to see you Sunday in Cedar Rapids.

Sorry that I could not make it to Washington Sunday. I had a special from Jimmie Gibson Sunday telling me that he was leaving Sept. 8. He wants me to come down Sunday. I will talk with you then.

Please bring that card I gave you to have printed for the soldier boys. I think I can get them printed here.

Fraternally Yours,

Howard Brown, Grand Master
