Dear Cubby I receive your letter to day, so i taken the due book over to the printer. so he gave me these prices, but he wants about \$3.00 extra for the Emblem cut on the front cover.

the five hundred are the best deal. as thats about five cents per, copy. so you no what you wants, if you want them you can let me no.

say pal how was the okera, if no good i will eat the rest myself. when ever i think of the fish deal i say to myself that you are no good.

Fraternal yours

Howard Brown Grand Master.
