Dear Sir and Brother:

Your timely reply was received a few days ago. Very glad to know that you made us welcome to hold this meeting in Mt. Olive Lodge room. I expect to arrive in your city about 12 noon, Sunday the 25th as I have planned to drive through. The Senior and Junior Grand Wardens are planning to arrive some time Sunday morning. Also the Grand Secretary and Treasurer expect to be present. I do hope to have a talk with you on my arrival in the city.

Thanks for your extended welcome to your home.
