Dear Sir and Brother:

Greetings from The Grand Jurisdiction of Iowa. Your communication of some few weeks ago was received and proved very interesting. I am very glad to know of your big step forward in cleaning out bogus Masonry by changing the name of your Grand Jurisdiction to F. & A. M. I am very proud to inform you that the Grand Jurisdiction of Iowa at its last Grand Session unanimately voted to change its name to Most Worshipful United Grand Lodge F. & A. M. but will have to come up for a new vote at our next Grand Session in July at which time I am sure it will pass.

Sincerely and Fraternally yours,

Howard Brown, Grand Master
