P.O.Box 556 Hot Springs Ark.

Dear Bro; Webb, your letter and Proceedings of your 68th Annual communication was receive, at this time i shall extend to you Greeting, from Iowa.

I am very sorry, that the Iowa Jurisdiction have not been able to have our, Proceedings printed for about six or seven years. our Jurisdiction is very Small, as we do not have the people to draw from as your state.

We have 17 Lodges working. we have about Five hundred members in Iowa. But I can see a bright future for Masonry in Iowa when this war is won, As we are taking in young men each month. I am very sorry that I can not attend the Grand Masters Conference as I know that it is doing a fine job to help black out bogus Masonry.

You shall have my prays, in this meeting. also extend my Greeting, To your Grand Jurisdiction.

Fraternally yours,

Howard Brown Grand Master.
