Dear Sir and Brother:

Received your greeting from the State of Nebraska some time ago but because of my illness have just been able to answer it.

I am glad to report at this time that the State of Iowa is at peace and harmony with all sister Grand Jurisdictions. I am sorry to hear of the illness of Past Grand Master P. H. Jenkins and I am praying for his speedy recovery. Extend to him Greetings from the State of Iowa.

Accept the best wishes of our Grand Jurisdiction.

Fraternally yours,

Howard Brown, Grand Master
