

WAR COMMITTEE ON CONVENTIONS

WASHINGTON, 25, D.C.

May 29, 1945

Most Worshipful United Grand
Lodge of Iowa A. F. & A. M. of Iowa (P.H.A.)
Mr. Howard Brown, Grand Master
608 3rd. Street, N. E.
Mason City, Iowa

Dear Mr. Brown:

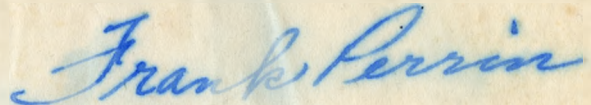

Your application for permit to hold your annual meeting at Cedar Rapids, Iowa on July 9-11, 1945 has been reviewed.

In view of the fact that not more than 50 persons are expected to attend this gathering from beyond your local area, no permit is required for this event.

A local meeting is defined by the Committee as one which is attended by not more than 50 persons, from beyond the suburbs of the city in which it is held, or--in the case of a rural community--from beyond the normal local trading area, plus purely local attendance without numerical limitation.

The Committee relies upon your cooperation to keep your out-of-town attendance down to 50 persons.

Very truly yours,

Frank Perrin, Secretary
