Bro. Howard Brown.

Grand Master, A.F.-A.M.

In reply to your recent letter to me. I will say. I am very much pleased the matter has been cleared as far as the Grand Lodge and Pearl City Lodge is concerned. with Mrs. Brayton.

I regret very much to say, owing to the loss of members and others bring out of the city. I find it impossible to carry on, and the few members we have left have voted to surrender the Charter and ask for demits.

I have consulted the Grand Sec. and he informed me to get in touch with you. so I am waiting your advice on my next move.

Hoping to hear from you immediately.
I am yours. Fraternally
