Dear Mrs. Jones, Greetings:

Your most welcome letter of August 2nd was received. I wish to assure you that your kind wishes for me will never be forgotten.

Dear Mrs. Jones, I feel that you will be a big help to me, as I believe that you have enough men in your city to have a Masonic Lodge, and if you think that I am right please let me hear from you, as you know it only takes seven men to set up a Lodge. You can have my cooperation in every effort you put forth, for your Grand Chapter.

Fraternally Yours,

Howard Brown Grand Master.
