my dear V. Master, yours at hand all things noted. yes I will respond to the welcome address for the O. E. S. of Iowa on the night of July 14th 1931,

Say V. Master, I was talking to Bauman and Joe Edmund and they said that you was going to take the Relief funds of our late Brother Luke Masly to the Y. L. that the law would not allow you to pay it to me. So I will withdraw my claim as I don't want to be the cause of the law to be broken it might cause some trouble in the future. so you can pay the same to Cedar Grove Lodge as the law requires. I will see you soon. hope that this will meet with you soon my regards to all. Yours as ever
