

Dorris:

I am enclosing these because we are asking each member to come and/or support our effort. I know it's right on the heels of Juanita's banquet but isn't everything? I haven't sold very many for her at all yet.

I don't have to have the money until the 1st wk in Sept. or around that time.

Our banquet last year was very nice with over 100. I had asked Carl Cain to speak & he was great.

When you see Darren ask him if he'll try to sell 5 chances for \$1.00 on winning 2 Stevie Wonder concert tickets. He can give the money to

you

Thx a lot. Von
