Dear

*Donis:*

As you know the first meeting of our joint Ways & Means Committee was Sept. 18. We had a great meeting & took care of a lot of business. I set up the Executive Board of the Building Maintenance Committee with Charles Watkins, Jr. as Chairperson; members are Frank & Bertie Hogan; Katherine Moore, and Lawrence James. Their purpose will be to receive monies from fund-raising activities, open a bank account, disburse monies for building expenses, and report in writing monthly to Worthy Matron & Worshipful Master.

Eight (8) members were present: All of the above, plus Milton Price, Harold Lewis, Art and myself.

We decided to send a letter to each Chapter & Lodge member, requesting \$10 to start us off; each of the above paid \$10 that night. Also, we decided to go with my Over the Hill party Sat., Oct. 5. Art and Lawrence felt it was a good night after the Council of Deliberation Banquet for the out-of-towners and our own Chapter & Lodge members to support us. After all, WE WILL BE TRYING TO MAKE MONEY to save the building! We want and expect full cooperation from members. Paul Wilson isn't happy but that is too bad, our plans will go on and we need your help.

Last night (Wed.) the above cleaned, scoured, waxed, moped, disinfected, and everything else the club side for our party; we missed YOU! We will do the same next Wed. at 6:30 so please be there if you can to help on the other side.
