It is always a pleasure to communicate with Brethren, but more especially so as I greet you as Worshipful Master of Doric Lodge #30. The Craft has seen fit to provide you with, what I think, is the most progressive cabinet to serve in recent years. Elected and appointed officers 1980 are:

We want an organization we can remain proud of, and with the officers I have to work with, WE SHALL HAVE IT!! However, no leaders are capable of functioning effectively without the support and assistance of you-- the Brethren of the Lodge. We NEED YOU: at the LODGE!! Every Brother MUST make special effort to be at the next communication on THURSDAY February 21 at 7:45pm sharp. At this meeting we shall outline our programs and goals for the remainder of this year. YOUR INPUT IS NEEDED!!

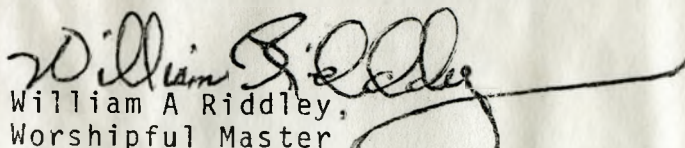

FRANK W HOGAN, Treas.
821 28th St
Des Moines IA 50312
279-9155

We want to become more community and civic-minded, to get back to basics, and to live up to the true creed of Prince Hall Masons. We need more MASONRY IN THE BRETHREN WE HAVE, RATHER THAN MORE MEN IN OUR ORDER!! Let us be proud of our Order, and let us begin by showing it in our dress. And let us begin now.

Attached is a listing of the various committee assignments for 1980. THEY ARE IMPORTANT, SO READ CAREFULLY.

See you on THURSDAY FEBRUARY 21, at 7:45pm sharp!! With every good wish and pleasant thoughts, I remain...

Fraternally in Brotherhood & Service,

William A Riddley,
Worshipful Master
