My Dear Maurice:

I need a little information for private, and I know I can get it unbiased from you.

This leaves me in fine shape and working like the Old Man himself. I sincerely hope you and yours are similarly blessed.

The information I need is the answering the following questions;

Is Bro. Geo. H. Edwards, W. M. of Dorric a habitual drunkard?

Is he a truthful and reliable man?

Does he take a decided interest in social and uplifting work--

Masonically and community?

An early reply will be highly appreciated.

Sincerely and Fraternally yours,

Henry A. Martin
Grand Master
