Dear Sir & Brother;

Am writing you in regards to one William Bell who says he was initiated in Westgate Lodge #126 some years ago.

He wishes to take up where he left off, in the fraternity, if you can give us information that will lead to his reinstatement, we will certainly appreciate it.

He is not quite sure of the lodge number.

Hoping you will see fit to give us this information at the earliest possible moment we are;

Fraternally Yours
