In Re: Mr. William Bell

My Dear Sir:

Replying to your letter of February 26, relative to the above names party, who says he was a member of "Westgate Lodge #126," but does not say where said Lodge was located, nor in what year he was a member of this Lodge.

Please have Mr. Bell give you the town where said Lodge was located, and the name of the Worshipful Master and Secretary of the Lodge at the time he was a member of said Lodge, also about what year he joined, or his membership ceased.

When I am in receipt of this information, I can then advise you whether or not Mr. Bell was a member of the Regular Masons of Texas and Jurisdiction, or some Clandestine Order.

Yours very truly,

Wm. M. McDonald,
Grand Secretary
