Subject: Wm. Bell

Dear Sir;

Have just received a letter from M.W. C.L. Mills Hiram Tyrian Grand Lodge, Houston Texas, in which he says, he is a personal friend of Wm. Bell.

That he (Wm. Bell) was Entered Passed and Raised in West-gate lodge #26, in the year of 1927, in Houston Texas.

From the letters I have received from yourself and C.L. Mills, there seems to be two Grand Lodges in the state of Texas.

Mr Bell was called home to Houston, several days ago, account of the serious illness of his mother, I learned today that she passed.

Am hoping that he will have time, while there, to straighten out this matter, and get a demit.

With kindest regards to you and the Fraternity, and your very prompt attention to this matter, we are;

Fraternally Yours,

North Star Lodge #2 F.&A.M
