Mr. Wm. A. Cney, W.M.,
Doric Lodge No. 30,
Des Moines, Iowa.

Worshipful Sir and Brother:

I desire to inform you that Application has been made to me by the members of Cedar Valley Lodge #44 of Valley Junction, for permission to remove said lodge to the city of Des Moines. Before acting on said application I desire to give Doric lodge an opportunity to be heard and to state their reasons if any for or against the removal.

Finding it inconvenient for me to meet your lodge personally at its regular meeting, I have authorized the Deputy Grand Master, Bro. C. C. Johnson, to represent me at your next stated meeting and to listen to any reasons that may be presented for or against the removal, and to make report thereon for my consideration.

Fraternally Yours,

Grand Master
