OPENING ODE

Begin the work of praise  
The Joys of song begin  
And bid the mystical rays,  
To enter in.

CHORUS:

The gleaming light, the guiding light,  
The light that shines afar,  
It yields a radiance pure and bright,  
The beautiful, beautiful star.

CLOSING ODE

The star we have followed,  
Now sinks in the west,  
And leaves in our hearts,  
All its memories blest.

As spring yields to summer,  
Yet fades not its bloom  
So bear we these memories,  
Joyfully home.

REFRAIN:

Home, Home sweet, sweet home  
We praise Thee Our Father,  
Who giveth a home.
