There will be some excellent papers, speeches, songs and talks made at the sessions from the appearance of the published program, found elsewhere in this paper. We believe in their motto, "Lifting as we Climb," and we would urge those interested in the better things of life and higher ideals to attend as many of these meetings as you can.

## HALLEY'S COMET.

Whatever strange phenomena that may occur each year in the stellar world, comets and meteors are the most strange. The planets and stars with groups and system are definitely fixed with respect to their time, location and its effect, but with comets and meteors, they usually come at intervals or periods. Some are visible and some invisible each year in certain parts of our earth. This year the scientists, professors and astronomers have been discussing the 75-year periodical visit of the famous Halley's comet. While there is nothing unusual about this comet, which has been making its visit regularly now each 75 years since more than 200 years B. C., at this time, it has a tall, visible, extending about 18,000,000 miles long, which made its coming of great interest. The superstitious and among the ignorant, they have prepared to go in caves and holes and in Cuba an industrious colored man invented or discovered the Halley pill, and is getting rich selling these pills. In China they are all wrought up and some refer to the king of England's death as the result of the comet.

## WILL WE MISS THE PANIC?

There is one problem that is before every man each day, that he has not been able to solve, is the high price of living. Everyone feels the burden as it keeps pressing harder and harder, can this country hope to prosper under these conditions and still those who are responsible for these conditions are saying to us stand by the administration, be regular. This is not the first time that our party had men in their ranks who lead in the wrong way, the party came into power in 1858 and they should hold themselves responsible for almost all the law on the statute books. Since 1858 they have been in absolute control of congress eighteen times, what the democrats have had control of the lower house eight times and only once did they control both branches of congress, but with such a bare majority that they could not get together on any needed legislation. We should remember when our leader in 1873 led us and then stop and think where Aldrich, Cannon and those who are following them are longing to lead us and if we send back many of the same representatives that compose the lower house, how far will we be from a financial panic like the one that cost our party the control of the lower house in 74, 76, 82, 84, 86, 90 and 92. It does seem that senator Aldrich and speaker Cannon have been dictating the policy of the party and if you are not a regular and will be soon read out of the party, we are fully persuaded that if each voter does their duty, confidence will be restored and we will be in good condition for the coming presidential election.

## A YOUTH CALLED.

We are called upon to chronicle the very sad and sudden death of Miss Estella Wilburn, the only daughter and last child of Mr. and Mrs. Alex Wilburn, our east side fireman. She died on last Monday morning, about 4:15 o'clock.

She had only been sick since Saturday evening and her friends did not become alarmed until Sunday afternoon. She continually grew worse until the end came. Thus a bright flower is plucked from our midst just entering the realm of public usefulness, having completed a course in the East High school from which she graduated as the youngest in her class in 1909. She took a special course and graduated from the business college. She was employed as office girl in Dr. J. H. Williams office. She was 21 years old, the funeral was held from their residence, 1715 Walker street Wednesday afternoon, conducted by Rev. Dr. J. Dulin. She was a member of the Chapter O. E. S. of our city, which had charge of the services, assisted by other orders of which she was a member. A very large crowd attended these services and a special wagon to haul the flowers which loving friends had sent as an expression of their sympathy. Thus is called from our field a choice flower in its youth to the sad parents who recently lost their only boy of 15 and now the last one. We, with their many friends, extend our heartfelt sorrow and sympathy.

He employs union labor and is a true friend of the colored people. He was elected constable of East Des Moines and only served one term. He is an active republican worker and will, if elected, treat all classes fair. He solicits your vote.

Madam T. D. Perkins, of Denver, Colo., who has spent five years in study of the scalp, is now interesting women all over the globe in the care of the hair and scalp. No matter how dark your skin is, Madame Perkins' matchless scalp preparations and scientific method of treatment for cultivating, beautifying and growing the hair will grow your hair if there is no physical ailment to prevent. Her treatments have been successful where all others have failed. Have you written her? If not, and you want hair like her own, write her today. Be sure to enclose a two-cent stamp and write your name and address very plain if you expect a reply. Don't write unless you mean business.

places it was about an inch. The first treatment stopped it from falling out. It is now 4 1-2 inches long, thick and growing straight. I have had only seven treatments; I can highly recommend Madame Perkins' wonderful treatment as a blessing sent from above to the women of our race. May she live long to bless our race with her wonderful treatments.  
Yours respectfully,  
HATTIE L. SNOWDEN,  
Graduate Nurse,

**A PHILADELPHIAN PLEASD.**  
Philadelphia, Pa., May 5, 1908.  
Having taken scalp treatments from Mrs. T. D. Perkins for four months, I can say that it has been perfectly satisfactory in every way. When I began taking her treatment my hair was very short, harsh and stubborn and broke off close to my scalp in some places. And now it is long and pliable. I recommend to all to take Mrs. Perkins' treatment. I remain,  
Yours respectfully,  
ALICE PAGE.

**HER CLAIM IS BONA FIDE.**  
To Whom It May Concern:  
This is to certify that I have known Mrs. Perkins for nine years, and can testify that she did have short hair, as she says, until three years ago, when she began treatment on her own hair. In two years she grew it to the lengths illustrated in her picture.  
She is a reputable citizen and her business reputation in this city and state is a guarantee of straight dealing.  
C. A. FRANKLIN,  
Editor Denver Statesman.

**READ HER STRONG TESTIMONIALS.**

Give her a trial and be convinced. One thousand women are taking these treatments by mail.  
Having known Mrs. T. D. Perkins for years, I unhesitatingly testify to her reliability, sincerity, business integrity and trustworthiness. Therefore, any representation she may make, can be accepted in all confidence.  
Very truly,  
ENOS L. SCRUGGS,  
Pres. Western College, Macon, Mo.

**DOUBLE PROOF.**  
Denver, Col., Aug. 10, 1906.  
This certifies that Mrs. T. D. Perkins is well and favorably known throughout this state and city. Whatever promises or statements she may make will be fully kept, as she is a woman of veracity and not given to unwarranted or irresponsible methods.  
Very truly yours,  
JOHN E. FORD,  
Minister Zion Baptist Church.

**TO THE PUBLIC:**  
I have known Mrs. T. D. Perkins more than ten years and never knew her to have hair more than two inches long until the past three years. I was more than surprised when she took her hair down to prove to me that it was all her own. I put my scalp in her charge at once and words can never express the wonderful results of her treatment. I have tried so many hair treatments that my hair was in a dreadful condition. Mrs. Perkins' first treatment proved beyond a doubt her knowledge of the care of the scalp. I trust every woman who may read this will write Mrs. Perkins and secure a place in her class for scalp treatment for beautifying and growth of the hair.  
MRS. ED. HARKIS,

**BURLINGTON ITEMS.**

On last Sunday morning occurred the funeral of Mr. S. W. Palmer from Prough's chapel. A large number of friends were in attendance to pay the last tribute of respect. Mr. Palmer leaves a wife, Mrs. L. R. Palmer of Des Moines, several sisters and brothers and other relatives, besides numerous friends who will mourn his death.  
Mrs. L. B. Hall who spent the winter in our city, left for Hannibal her home, and is now lying seriously ill.  
The Dunbar-Taylor recital which was held last week at the A. M. E. church was a great success. The committee reports \$20 clear of all expenses and a general good time was enjoyed by all. Prizes were awarded Mr. J. Brooks and Mrs. S. Henderson for selling the most tickets. The prizes were poems by Paul Dunbar.  
Mr. and Mrs. A. Pleasant very delightfully entertained Mr. and Mrs. G. W. Dozier, Mr. and Mrs. J. Mackay, and Mr. and Mrs. J. E. Johnson Thursday evening. Mrs. Dozier being the guest of honor.  
The piano recital given on Thursday evening by Madame S. M. Downs was a rare treat, although there was a poor attendance. Mrs. Downs rendered her selections as charmingly as if there had been a packed house. Mrs. Downs excels any concert pianist that has ever played in the A. M. E. church in our city.

**DANDRUFF REMOVED AND HAIR BEAUTIFIED.**

Chester, Pa., Dec. 12, 1908.  
Dear Mrs. Perkins: I really feel it a duty to write and let you know the wonderful results I have obtained by the use of your scalp treatment. I have not only found it to be a dandruff remover, but it is also a hair beautifier. It would do you good to see how straight and black my hair is since using your treatment. Of the many preparations on the market, yours seems to be the only one that does what it claims. You certainly have discovered the true secret of beautifying the hair, and I wish you every success—and give you permission to use this letter and my name, if you like, as I feel that I cannot too highly recommend it. Wishing you a merry Christmas and a prosperous new year.  
Miss MAGGIE HO BROWN.

**WOMEN, STOP, WAIT, LISTEN, READ**  
If a Woman have long hair, it is a Glory to Her: I Cor., 11-15.  
Every Woman Can Have that Glory if She Wishes It.  
This is for you. No more ironed hair, but soft, long, beautiful hair that need not be put on the dresser on retiring. Do you want this kind of hair? If so, write for particulars to Madame T. D. Perkins, the Scientific Scalp Specialist of Denver, Colo., who is astonishing the world with her wonderful art of growing hair.  
My own hair is my best advertisement. With these treatments my hair grew 17 inches in two years. It had remained one length (four inches) for 15 years. What I did for my hair I am doing for hundreds of others, and will do for you with my Matchless Scientific Scalp Preparations. My treatment stops falling hair or breaking off, cures split ends, removes dandruff and scalp scurf, causes the hair to grow long, no matter how short; soft, no matter how harsh; thick, no matter how thin; straight from the blubs, no matter how kinky. First treatment will show wonderful improvement. Do not wait if you are interested in your hair. I give treatments all over the United States by mail. Write me at once. I send booklet concerning the care of the hair, and testimonials of those taking my treatments when two-cent stamp is enclosed. I do not have agents. I need a personal history of your hair and scalp and your physical condition.  
All mail promptly answered when two-cent stamp is enclosed. I am the only woman of the race growing hair today who can show the public the real length my hair was when I first began treating it. Send for booklet if you mean business. You can secure these preparations only from me. None like them made in the world. The T. D. P. Scientific Scalp Preparation, Madame Perkins, sole agent.

Denver, Col., April 22, 1909.  
To Whom It May Concern:  
I find it a pleasure to say a word in praise of Madame Perkins, and her remarkable success in scientific scalp treatment.  
Madam Perkins, for many years a resident of Denver, is an active member of Zion Baptist church, and one of the most favorably known women in our state. The beautiful half of hundreds of women in our city and other parts of the state is a tribute to her phenomenal success in her profession. The wonderful growth of her own hair is a most remarkable testimony. I cheerfully recommend her to all ladies who may be interested in the growing and beautifying of the hair.  
Respectfully,  
DAVID E. OVER,  
Pastor Zion Baptist Church.

**HER HAIR GROWS ONE INCH A MONTH.**

Yours truly,  
MRS. MINNIE HALL.
