RIPPEY FOR COUNTY ATTORNEY.

This week we present the name of Arthur G. Rippey, who is a candidate for County Attorney, subject to the Republican primaries. Mr. Rippey has

been Acting County Attorney under Capt. Wm. Henry. Mr. Rippey is a self made young man, a good lawyer and fine young man and his many friends are asking you to support him at the coming primaries June 3d.

McKEE FOR AUDITOR.

Mr. Walter S. McKee is announcing his name as a candidate for County Auditor. He has been a resident of this county 28 years, is connected with insurance, a good business man, has

never held or asked for an elective office and by age and qualification will make a good county officer. His many friends are asking your support in his behalf. He will treat all races and classes with equal justice.

PROF. A. M. DEYOE.

Our good friend, Prof. A. M. Deyoe, the present State Superintendent, is a candidate for re-nomination, subject to the Republican primaries. Prof. Deyoe began his school life as a teacher 37 years ago and has been in the educational work ever since except the years that he was in college at Iowa City. He is entitled to some credit for the betterment of rural and small town schools; for starting vocational education; for the provision for training teachers for the rural schools; for the provision whereby boys and girls, no matter where they reside, may secure the payment of their tuition in high schools; and for the elimination of an obnoxious language from our courses of study. He believes in equal education for all classes and all races, a true friend of the colored race.

LEWIS FOR RAILROAD COMMISSIONER.

Dwight N. Lewis of Des Moines, assistant commerce counsel, who was appointed state railroad commissioner by Governor Clarke to succeed Clifford Thorne, resigned. He is a candidate for the nomination on the Republican ticket, as there are to be two elected.

Although still a young man, he has for twenty-five years been associated with the work of the railroad commission and is now looked upon as a rate expert. His appointment was especially urged by rate commissioners of various Iowa cities.

Mr. Lewis is a graduate of the Drake University law department. He pursued his law studies while keeping up his other work. For many years he has been the teacher of the young men's Bible class in the Central Church of Christ, which is one of the largest in the state.

ADDISON M. PARKEE.

Hon. Senator Parker is a Candidate for His Second Term as Senator From the 30th District, Which Is Polk County, Subject to Coming Primaries.

Senator Parker is a Des Moines boy, having spent most of his time here, having graduated from the East Des Moines

High School and of the Law department of Drake University. He is a bright lawyer and capable young man and is a good friend of the Colored race and stands on his past record in the legislature. His many friends are working for his nomination and ask your support in his behalf.

MAC VICAR FOR SHERIFF.

John MacVicar announces his candidacy for Sheriff in this issue of the Bystander. This is the first time Mr. MacVicar has sought office outside Des Moines, and will give an opportunity for his political admirers in the county precincts to cast a vote for him.

A big-brained, clear-headed, good hearted man, who has given to this city the very best years of his life. And all without any work of graft, any thought on the part of the people but that he is honest and upright.

DR. WAUD FOR R. R. COMMISSIONER.

The name of Dr. T. S. Waud of Mt. Vernon, Iowa, will be on the Republican ticket as a candidate for Railroad Commissioner, subject to the primaries June 3rd. Dr. Waud is one of the influential and successful business men of Iowa and is an active Republican worker. He has never held or asked for a state elective office before. A true friend of the Colored people and by virtue of his age and experience would make a good commissioner. He solicits your vote.

SAVERUDE FOR SUPERVISOR.

Mr. Chas. Saverude, our well known Des Moines business man and the present Supervisor of the board from West Des Moines, is a candidate for re-nomination for his second term as member of the Board of Supervisors, subject to the Republican primaries. Mr. Saverude has made a good, aggressive member and has been careful in all his business relations. He gives all classes and races an equal chance.

KELLER FOR COUNTY RECORDER.

The name of Chas. W. Keller, one of our successful young men, is a candidate for County Recorder. He was raised on a farm in Polk county and at present is a member of the Board of Supervisors, which has given him an insight to business of the county, and by age and experience he will make a good Recorder. He is a friend to the Colored race and will give them a square deal.

JOSEPH FOR STATE SUPERINTENDENT.

The above cut is that of Mr. F. D. Joseph, Deputy State Superintendent, who is a candidate for State Superintendent.

He believes: In preserving the health of children—that the schools may well devote more attention to training in American loyalty—that courses of study must train people to live and be efficient in any community—that the one room school should be encouraged to improve in efficiency—that consolidation offers excellent educational advantages, but must be left with the people and not made compulsory by legislative enactment—that the school laws should be revised—that children in mining camps are entitled to better school facilities than many now have—that while winning this war we must not neglect the schools.

Mr. Joseph is a well qualified man for this office. He is in sympathy with all struggling classes, especially the Colored race.

On last Wednesday evening the ladies held another meeting at Mrs. Brown's residence, at which time Judge Hubert Utterback, president of the Des Moines Red Cross Chapter, and Mrs. W. O. Finkbine, Supt. of Women's Work were present and organized them into a regular Red Cross Auxiliary, which starts out with fifty charter members and is to be known as the "Charles Young" auxiliary, in honor of Lieut. Do You Enjoy Life?
A man in good physical condition is almost certain to enjoy life, while the bilious and dyspeptic are despondent, do not enjoy their meals and feel miserable a good share of the time. This ill feeling is nearly always unnecessary. A few doses of Chamberlain's Tablets to tone up the stomach, improve the digestion and regulate the bowels is all that is needed. Try it.

For Sale or Exchange for a smaller property, a seven room house on Sixteenth street, near school. Reasonable terms. Address 1026 W. Sixteenth street, city.

Mr. Webster is now holding that position, having been appointed by Governor Harding to fill a vacancy. Mr. Webster has made a good record in office. He is a man of great business experience, having been one of the large shippers of the state for many years. His business training and practical relation to the railroads give him a grasp upon the problems coming before the commission that is fundamental, and of the utmost importance to both the people and the railroads. Mr. Webster is a man of the people and keenly alive to the importance of safeguarding their interests. To know him is to like him. He is sensible, democratic and honest.

By knowing the cause, a disease may often be avoided. This is particularly true of headache. The most common cause of headache is a disordered stomach or constipation, which may be corrected by taking a few doses of Chamberlain's Tablets. Try it. Many others have obtained permanent relief by taking these Tablets. They are easy to take and mild and gentle in effect.
