EDITOR'S OBSERVATIONS

(By John L. Thompson.)

This city is one of the oldest established on the Missouri river. Council Bluffs, so named because in the early period of the state the Indians would hold their tribal council here, where several tribes' chiefs with the American Indian agents would hold council and fix their boundary lines between different tribes. It was here that the great Mormon exodus across the American desert led by Brigham Young stopped a year on their pilgrimage from Navoo, Ill., to Salt Lake City.

We have here about 1,000 colored people, two churches, the A. M. E., pastored by Rev. N. R. Rhonence, a native of Jamaica. He is doing well. He will chronicle the Bluffs news this year. The Baptist church, pastored by Rev. M. Jackson. He is in a struggle to finish his church. They are plastering it now and hope to be in it by July 4th. Mr. N. C. Lyon has left the hotel and is now working for a shoe store. Mr. N. P. Herrington is now working for a lumber mill. Mr. M. Stewart is still at the Elks Club. His wife is running a first class hair dressing parlor at 623 W. Broadway. Mr. W. H. Birlsong is beautifying his nice property. He is doing well. Sylvester Anderson is truck gardening on several acres in the out edge of the city, doing nicely. Mrs. C. H. McDonald is still at the same place, doing well with her rooming house. She has all engineers and firemen crews. Her only daughter is a graduate and is now working in the Orkin large dry goods store. Mr. A. Gamble is still running on the railroad. Mr. Chas. Burke has bought a nice home at 1317 Broadway. Mr. C. A. Fearman, S. Talbert and Wm. Talbert own their homes and doing well. Mr. M. E. Lona and Mrs. L. Paterson are also doing well. Mr. J. T. Royston is night baggageman at the Chicago & Northwestern depot, a very responsible position, and he is a fine young man to meet. He has held this position for the past two years. Mr. A. S. Hall is running the only restaurant and boarding house on West Broadway. See his adv. elsewhere in this paper. Across the river into Omaha was our next stop. Here is a large commercial city of 175,000 people, of which about 12,000 are colored. Many are doing well. Mr. D. G. Russell is still operating his hotel, pool hall and barber shop on Cummings St. and is doing a big business. G. W. Levert is still in the hand laundry business on 13th and Howard St. He was formerly a Council Bluffs citizen. A. L. Anderson, formerly from Osceola, Iowa, is still living on his acreage in the suburbs of the city, doing nicely. He is a good race man. Allen Jones, formerly of Clarinda, is still in the undertaking business. He is now doing well. He owns a beautiful modern home on 25th and Ohio. Allen and his amiable wife are a rising young couple whose influence will soon be felt in this city. Geo. W. Woods, a former Des Moines boy, is still working for the Tweed Real Estate firm and he has bought himself a beautiful modern home on Pinckney St. and is an active member of the A. M. E. church. His good wife entertained editor at dinner Sunday. He and his wife wish to be remembered by the Des Moines people. Mr. and Mrs. J. S. La Cour, another Des Moines family, are here doing nicely. The two own a beautiful modern home on Maple St. Their daughter Marguerite is an accomplished young lady, highly respected. Mr. L. H. S. Brown is another former Des Moines man who is out here. He is working at the Yeoman of America building, doing fairly well, although he sometimes thinks of coming back to Des Moines. His daughters are in the high school. Mr. and Mrs. J. H. Shackelford, who recently left Des Moines for Omaha, is working the photograph business with the famous Indian photographer, Rhineheart, and is doing well. They wish to be remembered to their old Iowa friends. John James is still clerk in the U. S. mail service in the postoffice. Mrs. Lillian Bailey is still here. She was formerly from Ottumwa. Mrs. N. P. Patton is still running her hotel, which is still crowded. Mr. J. S. Bell is operating a hotel. C. R. Tramble, formerly of Council Bluffs, has just opened up a fine first class cafe at 107 S. 14th St. It is indeed the finest in Omaha. Miss Gertrude Lucas, formerly a teacher in Buxton, is here employed in a large store. Mr. H. F. McClure is in the real estate and abstract business, doing nicely. He is a fine young man.

There are many churches here. The M. E., pastored by Rev. Logan, the St. Johns Episcopal, pastored by Father J. Williams. It is doing well. Father Williams is a busy man as he is editor of the Monitor, the only colored paper here. The St. John's A. M. E., pastored by Rev. Williams. They have moved from their old church to a new location, where they bought the old skating rink and have converted that building into a church. They were preparing for a rally. The Mt. Zion Baptist church, pastored by our good friend, Rev. W. F. Botts, who has been struggling for several years to build a new church. They have been in the basement, but about one month ago decided to make a drive over the top. The State White Association offered them \$10,000 if they would raise a like amount within 15 days, so Bro. Botts marshaled his hundreds of his best members into work and soliciting bands on the last day at midnight they raised \$10,714.00 in actual cash, and what shouting and joy to the hearts of those Christian workers, the largest amount ever raised in a 15 day single rally perhaps in the U. S. among colored people. We congratulate Rev. Botts and his faithful members. The secret societies of all kinds are doing well. Dr. Hutton and Dr. Edward are still practicing here. The People's Drug Store has moved two doors south, doing nicely. There are several lawyers here, but did not get their names, as was the case with the dentists and physicians.

MODEL TOWN CONSTRUCTED EXCLUSIVELY FOR NEGROES.

Portsmouth, Va.—A model town constructed by the government exclusively for Negroes was formally opened with ceremonies at Truxton, Va., as the new town is known, took its place on the map as a suburb of this city. Built primarily for war purposes to house employes at the great Hampton Roads naval base, the 224 buildings in the little town will not be sold immediately by the government, but will be rented at from \$16 to \$19 monthly. The town is one of the twenty-four housing projects the United States Housing Corporation is rapidly completing throughout the country for the government. All these projects represent a returnable value of \$25,000,000 and consist of a total of 6,000 houses and sixty-four apartments, which by the end of June will be returning \$2,500,000 a year in rentals to the government. Final disposition of the property rests with congress.—Associated Negro Press.

DR. EMMETT J. SCOTT GOES TO HOWARD UNIVERSITY.

Washington, D. C., June 7.—At the regular meeting of the board of trustees of Howard University, Dr. Emmett J. Scott, secretary of Tuskegee Institute, Alabama, was elected secretary-treasurer of the University. The new official enters actively upon his duties July 1. During the period of the war Dr. Scott has been serving most capably as Special Assistant to the Secretary of War, advising in matters affecting colored troops and civilians, and accomplished much good in adjusting the manifold problems growing out of the relations of the colored people to the War Department and the activities designed to aid the nation to win the great conflict for liberty and democracy. Through his tactful handling of countless delicate problems and the many satisfactory results achieved, he has won the confidence and esteem of the 12,000 colored Americans he was chosen to represent.

The selection of Dr. Scott now as the executive officer of Howard University is regarded as a most fortunate one in all respects, and is viewed with great enthusiasm by the friends of the school, white as well as colored. It is felt that the acquisition of Dr. Scott as a member of the staff of the leading institution of the land for the higher and professional training of the Negro brings to its support a new and powerful influence for advancement along both educational and material lines. For nearly twenty years Dr. Scott has been the administrative force at Tuskegee Institute, and up to the time of the death of its illustrious founder he was Dr. Booker T. Washington's right-hand man and confidential assistant. The ripe experience and broad acquaintanceship gained by Dr. Scott by reason of his long connection with Tuskegee Institute—international in its scope—will stand him in good stead in looking after the heavy responsibilities that will be entrusted to his keeping at this important center of civilization where real leaders of the race are to be developed. His new post is deemed a merited promotion, as it affords him a larger field for usefulness to the whole people, and he has been the recipient since Tuesday of many messages of congratulation and good will from representative white and colored friends all over the country. Dr. Scott's resignation as Special Assistant to the Secretary of War, effective June 30, has been announced.—Associated Negro Press.

From all indications, it seems that the great national event of the "Passing of Booze" will occur on schedule July first. At least, those who are most concerned, the brewers, distillers and saloonists, are preparing for nothing different. They may be talking

Rev. J. B. Perry will be back in our city Wednesday, June 18th, and will assist his brother, Rev. H. A. Perry, in his revival now going on at the Bethel A. M. E. church. Last year people

BUXTON NEWS.

There are several reasons why Buxton news have not been showing up in the Bystander, but we are glad that those reasons have somewhat been adjusted, and from now on we hope to have Buxton news in each issue. All who have news items to enter may bring them to the Y. M. C. A.

The K. of P. Lodge held their memorial services in the Y. M. C. A. auditorium, Rev. J. J. Evans officiating. The Buxton Band led the K. of P.'s and Household of Ruth to the cemetery and back. On their return they had their photograph struck. Any one wishing one of these photographs may leave their order with J. E. Mills at Y. M. C. A.

Mrs. Minnie Clay and baby are doing fine at this writing. He is some boy. Mr. and Mrs. Clarence Smith are the proud parents of a bouncing baby girl. Both mother and baby doing fine at this writing.

Mr. and Mrs. Clennie Carter received a visit from the stork last Wednesday. The old bird left a fine girl.

Buxton citizens are making big preparations for a grand home coming welcome celebration in honor of the boys who have returned from over seas and home camps. The date will be the 18th of June.

On last Monday night the Mt. Zion church gave a grand reception to welcome their new pastor, Rev. Boyd, of Fort Worth, Texas. It was largely attended. The program was excellent, consisting of addresses of welcome from the various officers and club of said church; also many beautiful solos and other musical numbers. Dr. E. A. Carter gave a splendid address welcoming Rev. Boyd to our community.

Tom Seavers and family have moved to Des Moines. The St. John A. M. E. church gave a grand farwell reception in honor of Mrs. French Brown, who is leaving here to make her future home in Des Moines. Her many friends regret to lose her. Her husband expects to follow soon.

CENTERVILLE NEWS.

Mr. and Mrs. Wm. Oliver entertained the Mission Circle Thursday evening. A good crowd was present and success was reported. Also Deacon and Mrs. C. Noah entertained the Circle Saturday night and everyone seemed to enjoy themselves. A neat little sum was realized. The president is more than pleased at the success from these socials. The next meet will be at the church.

Rev. Nott arrived in the city Saturday and preached a soul stirring sermon for us Sunday a. m. Sunday evening the B. Y. P. U. had a lovely program.

It was short but good. The program consisted of papers, solos and short talks and music. Much credit is due those who took part in the affair. Bro. Theodore Jones had the opening address, which was good, and the paper read by Bro. S. H. Jones on "Honor Thy Father and Thy Mother," was more than pleasing to the audience. The missionary made some encouraging remarks, which was enjoyed by the union. The president, Bro. H. Brown, expressed his thanks to both old and young who took part in the program and those present to hear and contribute to the cause.

Mr. and Mrs. John Hicks entertained Rev. Nott at Sunday dinner. Rev. Nott will look after the church until we call a pastor. He left Tuesday noon for the Sunday school convention at Cedar Rapids.

NATIONAL NEGRO BUSINESS LEAGUE.

Tuskegee, Ala., June 7.—With the approach of the time for the annual meeting of the National Negro Business League, which is to be held in St. Louis, Missouri, August 13, 14 and 15, plans are shaping up very rapidly for the program, which as Mr. Emmett J. Scott, the secretary, says will follow the general idea of reconstruction.

It is also significant that Mr. William D'Arcy, president of the Associated Advertising Clubs of the World, has agreed to deliver an address during the League's meeting. Mr. D'Arcy is one of the foremost figures in the advertising world and his message will serve as an inspiration and an encouragement to the League's delegates. Mr. Allen W. Clarke, secretary of the National Clean-Up and Paint-Up Bureau, who has co-operated with the League during the last three years in encouraging the Health Week Campaign, will also deliver one of the addresses. Mr. Clarke gave the three silver cups which were awarded in 1917 for the best Health Week Campaign, and he will present the cups this year himself.

President A. E. Malone and Secretary H. A. Smith of the St. Louis Negro Business League

have never seen such a spirit of enthusiasm and co-operation as is manifested on the part of the St. Louis citizens over the approaching League's meeting.

FIFTY YEARS OF HOWARD UNIVERSITY.

Commencement Exercises at Race's Foremost Institution for Higher Education—Degrees Conferred Upon 112 Graduates—Inspiring Addresses by Secretary Lane and Bishop Harding—Dr. Durkee's Phenomenal Progress.

By R. W. Thompson.

(Special to The Bystander.)

Washington, D. C., June 7.—Under ideal skies and amid stately elms on the broad campus, the fiftieth annual commencement of Howard University was held Wednesday afternoon, with the largest attendance known in many years. President J. Stanley Durkee, making his first appearance on an occasion of this kind, was greeted with prolonged applause when he arose to begin the impressive ceremonies. The procession, including the graduating classes, the faculty and the Alumni of the University, was a glint of bright colors in the sunlight as it wended its way across the greensward from Carnegie Library to the al fresco auditorium near Clark Hall. The scene was picturesque and imposing.

Secretary Lane and Bishop Harding Give Wise Counsel.

The orator of the day was the Hon. Franklin K. Lane, Secretary of the Interior, the branch of the government having control of the University. In his able address, Secretary Lane emphasized the futility of force and unlawful acts in the solution of great social and economic questions and counseled his hearers to appeal to the power of time and right systems of education to bring permanent peace among peoples and nations. The present unrest throughout the land he attributed to the too prevalent desire of groups of individuals to get something without work. No enduring success nor any real happiness can be built upon a foundation of idleness or any get-rich-quick nostrum. The Secretary laid stress upon the value of good citizenship, of the necessity for practical training to meet the responsibilities of life, and gave as a pertinent example of the failure of false standards in the striving for power, the downfall of the autocratic German Empire.

The Right Reverend Alfred Harding, Bishop of Washington, was introduced by Dr. Durkee, and spoke along the lines laid down by Secretary Lane. He declared service to humanity to be the royal road to progress and happiness. He paid a glowing tribute to the valor, skill and loyalty displayed by the colored soldiers who aided in the recent war for liberty and democracy, and insisted that the Stars and Stripes should wave for all Americans alike, from ocean to ocean. He was proud of the record made by the millions of Negroes since emancipation, and lauded Howard University as one of the uplifting agencies that would continue to lighten the lump of intellectual and moral darkness that make for the hardships and inequalities with which the social and economic leaders of the age have to deal. Both Secretary Lane and Bishop Harding were liberally applauded.

Music was furnished by a section of the regimental band of the 368th Infantry, and patriotic airs were played at intervals throughout the program, including "The Star Spangled Banner," which brought the immense throng to its feet in spontaneous enthusiasm. Rev. Walter H. Brooks delivered the invocation and Rev. A. C. Garner pronounced the benediction.

President Durkee Confers Degrees.

President Durkee, by authority vested in him by the University, conferred degrees upon one hundred and twelve graduates, constituting the "Class of 1919." In the College of Arts and Sciences thirty-four candidates received the degree of Bachelor of Arts and seventeen the degree of Bachelor of Science. A touching incident in connection with this part of the program was the award of the degree of B. S. to John Ephraim Williams, who passed away just a few days prior to his graduation, but had fully won his honors. The entire class stood uncovered as President Durkee solemnly conferred the post-mortem distinction upon their departed fellow-student. Four young men were given special mention and honor because of their military service, and financial consideration will be given them by the University that they may later gain the degree they desire. This class was presented for honors by Dean Kelly Miller. In the other departments the following awards of degrees were made: In the Teachers' College, "A. B. in Education," seven; "B. S. in Education," nine. In the School of Theology, "Bachelor of Divinity," three; in the School of Medicine, "M. D.," twenty-one; Dental College, "D. D. S.," one. (The course in dentistry was lengthened from three to four years.) In the Pharmaceutical College, degree of "Phar. D.," five. In the School of Law, degree of Bachelor of Laws, fourteen. In Graduate Work, the degree of Master of Arts in the Field of Education was conferred upon Helen Brooks Irvin. The candidates from the Teachers' College were presented by Acting Dean Thomas W. Turner; from School of Theology by Dean D. Butler Pratt;

THE PERISCOPE.

Call of the Soul.

The call of the soul is expressed in a manner that is seldom seen, in a short poem written by Professor Pearson, vice president of the Georgia State Industrial College, and reproduced in a recent issue of the Southwestern Christian Advocate. The expression is worthy of the full page devoted to displaying it by the Southwestern, and cannot be too generally read and remembered. Here it is, with the title:

Voice of the Negro Soldier.
When I return from foreign shade and shore,
My native land with joy behind once more,
If I have been a soldier true and brave,
Risked limb and life my country dear to save.
Yea, nations all from autocratic greed
That they be wholly free in state and creed—
While Father, Mother made and con-served food,
And war bonds bought in loyal, cheer-ful mood—
I will not ask for houses, favors, praise,
As we resume the toil and peace of former days,
But that you lift the cursed racial ban,
Grant me the rights of any other man.
—Associated Negro Press.

from the Medical College by Dean E. A. Ballou; from the School of Law by Acting Dean William H. Richards.

Presentation of Prizes.

In addition to the presentation of diplomas, President Durkee awarded the following prizes: Alpha Kappa Sorority prize, highest scholarship, Miss Jennie Mustapha; Senior Fellowship in Physics at Clark University, Worcester, Mass., valued at \$300, Kelly Miller, Jr.; Cyclopedic dictionary from a Chicago publishing house, highest general average, George Arthur Parker; public speaking, Edward M. Johnson; Internship, Mercy Hospital, Philadelphia, Miss Sarah Ella Marie Kinner; Internship, Freedmen's Hospital, (in order of standing in competitive examination), Jonathan Richard Cotee Cook, Archie Royal Fleming, Herbert Owen Matthews, Harold Counsellor Stratton, Lawrence Waters Jack-Jr., Henry James Austin, John Benjamin Walker and Charles Henry Boyd; the E. D. Williston prize for highest mark in obstetrics, Jonathan Richard Cotee Cook. A prize from the French class was presented in French by Prof. Lechard.

Changes in Faculty and Official Staff.

During the week beginning May 28th, the several departments held class functions, including a reunion luncheon and field day athletics by the Alumni, and an "At Home" to the Class of '19 by President and Mrs. Durkee. The baccalaureate sermon was delivered by Dr. Durkee in Andrew Rankin Memorial Chapel on Sunday. The Board of Trustees Tuesday announced the election of the following members of the faculty and official staff:

Secretary-Treasurer, Emmet J. Scott; Dean of School of Liberal Arts, Carter G. Woodson; Registrar and Professor in Education, Dwight O. W. Holmes; Acting Dean of Women and Instructor in Physical Education for Women, Miss Helen Tuck; Dean of Men and Professor of Economics, Edward L. Parks; Dean of School of Commerce and Finance and Professor of Commercial and International Law, George W. Cook; Dean of Junior College and Professor of Sociology, Kelly Miller.

Ground will be broken in a few days for the new building on the east side of the campus, to be the home of the School of Theology, forming the nucleus of a new center in this vicinity, and many other substantial improvements are in contemplation. "The Greater Howard University," planned by the ever-progressive President Durkee, is moving rapidly toward a realization.

Booze Is Not a Good Cure.

From the Ames Iowa Intelligencer. When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache.

Poison for Rabbits.

Poisoning by means of phosphorized grain is said to be an effective means of checking the increase of rabbits in certain parts of the British colonies.

Higher Prices Send Telephone Expenses Up

About everything you buy costs more than before the war.

High freight rates and unusually high wages have caused the prices of nearly all raw materials to rise far above normal.

The increased cost of labor and raw materials have advanced the price of manufactured articles.

Prices generally are at a higher level than before the war.

We do not look for the price of labor and equipment to come down materially for several years.

Higher prices for equipment and generally higher operating expenses have increased the cost of furnishing telephone service.

Ford

THE UNIVERSAL CAR

The Ford Model T One Ton Truck is in reality a necessity to the wide awake retail grocer, not only for the economic solution of the delivery problem, but for the bringing of goods from the docks or stations to his place of business, and for traversing the country and bringing in produce.

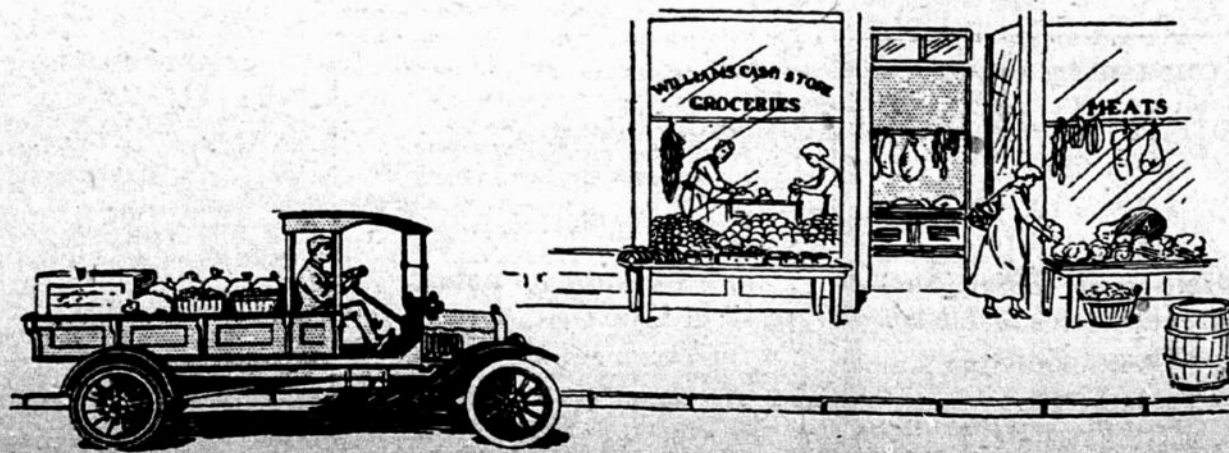

For years the Ford One Ton Truck with its splendid manganese bronze worm-drive, powerful Ford Model T Motor, strong Vanadium steel frame, has been serving in every line of business activity, and we have yet to hear the first complaint as to rear axle trouble or motor trouble.

It has the lowest purchase price on the market, and the cost of operating and maintaining is exceedingly small. In fact, the Ford One Ton Truck has become a business necessity. Leave your order with us without delay. We will give you prompt attention and assure you reasonably prompt delivery, and give you an after service that will insure your continuous operation of the Truck.

Atty. Gertrude Rush returned Tuesday from attending the National Conference of Social Workers which met in Jersey City, N. J. She reports a splendid meeting.

Owing to the dastardly rumors concerning the terrible accident Sunday night, I wish to brand as absolutely false, malicious and slanderous the statement that the injured parties showed any signs or evidence of drinking. I defy anyone to make the statement or prove the charge.

Signed, Dr. Arthur J. Booker.

RECITAL WAS SUCCESS.

Thursday evening, Mrs. Grace Clark De Graff presented her pupil, Miss Aurora Brooks, in a song recital at St. Paul's A. M. E. church. Miss Brooks gave a similar recital almost a year ago and those who heard her then noted the wonderful advancement she had made in the past year. Mrs. De Graff is a wonderful vocal instructor and several others are taking advantage of it. It was unfortunate that more of our music lovers could not have heard this splendid recital.

The following persons were elected on the board of directors: J. L. Edwards, Mrs. E. Winn, Mrs. Effie Watkins, Wm. Buckner, Chas. Carl, W. H. McCreer, James B. Mitchell, E. Traey Blagburn, John L. DIES FROM WOUNDS.

Last Sunday evening a group of our young people were out enjoying an auto ride. The machine in which they were riding crashed into a telephone post, throwing the eight occupants from the car. Among the most severely wounded was one of our best young girls, Miss Lucile Morrison, who died Wednesday morning from her wounds. This accident is a terrible shock to the entire community as Lucile was widely known throughout Des Moines social circles, having been raised here in the city. Her parents were well known and very highly respected and we mourn with this dear family in their sad bereavement.

A fair attendance Sunday morning. Pastor preached from the ninth chapter of the prophet Jeremiah, a portion of the sixth verse, "Through deceit they refuse to know me, saith God."

Sunday school and Christian Endeavor were well attended. A soul stirring sermon was preached Sunday night to a well filled house; text: "Wherefore by their fruits ye shall know them." The Holy Ghost was with us throughout the entire day.

Richard Holliday, 2508 Second Ave., was converted at his home and came to the parsonage Monday and joined the church.

Bro. R. V. Robinson, 2725 Fifth Ave., is very much improved at this writing. Through faith we hope to see Bro. Robinson out in a short while.

PROTECTION OF HEALTH.
By Wm. H. Harper, B. S., M. D.
Care of the Hair.

In both children and adults the scalp should be kept clean. This is best accomplished by shampooing and carefully drying the hair. As a general rule men should wash their heads every two weeks and women every three weeks, but if exposed to much dirt and dust this washing must be more frequently practiced. Under no condition must the washing be so frequent as to make the hair dry, for this leads to its falling. The hair should be rubbed dry with a towel—the hot air from an electric drier is not good for the scalp or hair. Then a small amount of vaseline or sweet almond oil should be rubbed on the scalp.

Combing. A good comb has long, wide, thick teeth that are perfectly smooth and not sharp. The fine toothed comb is of value only in removing nits from the hair, and in disentangling it. A comb should be cleaned every few days by wiping with some disinfectant.

Brushing. An infant's brush should have long soft bristles; adults should have stiffer bristles in their brushes. The bristles should be placed in clumps, set well apart, and deeply in the brush. The central bristles in each clump should be the longer. This stiff brush should be used vigorously every morning. The brush should be washed and disinfected at least once a week.

Hair Cutting. The hair should never be "shingled," that is cut by a two and fro motion of the scissors, as it tears the hair. It is extremely doubtful, tho it is commonly believed, that long hair is any more of a drain upon the body than hair that is kept closely cropped, for the latter probably tends to grow faster than the longer hair, and hence makes more demand upon the vitality. Singeing of the hair is an absurdity. The theory for singeing is that the hairs are hollow tubes from which some vital substance might escape if the ends are left open.

Hair Dressing. The curling iron is too much used; it is bad, as it tends to dry the hair, and also as it bends and

drags it too much. The simplest method of wearing the hair is the best. False hair heats the scalp and makes an even better incubator for bacteria; it prevents good ventilation, it drags upon the feeble hair and weakens it, and it is often a source of contagion. Hats should be light and soft so as not to impede the circulation.

A man often forgets the exact name of the article he wishes to purchase, and as a last resort takes something else instead. That is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion.
