DR. A.E. LILES TAKES CHARGE OF UNION CON- GREGATIONAL CHURCH

Rev. Liles comes to Des Moines from Washington, D. C. where he was a successful pastor for the past ten years.

Born to North Carolina a graduate of the temple university of Philadelphia receiving the degree of P. H. B. in 1916. In 1918 he graduated from the Harvard university, Washington D. C. with the degree of B. D. He comes to Des Moines well recommended by the faculty and friends of Howard university and of very rare standing.

Rev. Lyles comes to Des Moines for the express purpose and pure motive to be the servant of the people of Des Moines regardless of sex, creed, or color. His ministry is a minis-

try of service. It means more than the pulpit orations. It is service supreme. He is alive with the National and radical movement and advancement of all patriotic movements of this country and certainly to make a contribution to what is to be an ideal democracy.

He will take up the work of Union Congregational church the week of April 25 and of a certain Sunday April 25. Those who have already heard Rev.

Liles are fully impressed with his forceful sermons and are enthusiastic in the belief that he will be a great asset to the community to which he comes.

DREW TO RUN IN PENN

RELAY DASH.
Co-Holder of World's Title After Third Victory.

Although Drake university needs all of the points that Howard Drew might be able to score in the Iowa-Drake dual at Iowa City May 1 the athletic authorities have decided to send him to the Pennsylvania relays, which will be held on the same date.

In 1914 Drew represented the University of Southern California at the Pennsylvania games and won first in the century dash and the broad jump. He ran the short dash that year in the finals in 10 1-5 after taking the preliminaries in ten seconds flat. He made a mark of 22 feet in the broad jump.

The next year at the relays, representing the same school, Drew ran the preliminaries, semifinals and the finals in ten seconds flat. This was in itself some accomplishment.

Drew's athletic days have been spread over a long period of time. In 1912 he ran in the Olympic games, winning the first place in the semi-finals at Stockholm, but by so doing he pulled a tendon and was unable to take his place at the starting line the next day.

Equals World's Record

The Stockholm games were held in 1912, or over eight years ago. Drew was then running for the Springfield high school. Two years later he was in his prime when he ran the century dash in 9 3-5 at Berkeley, Cal., which is the world's record. D. J. Kelley, a co-holder of this record, made in 1906 died last week.

Whether Drew can win the 100-yards at the Penn games this year is a question. He is now close to thirty years old, and has suffered many physical disabilities. But he is to have his opportunity to try and equal A. F. Duffy's performance.

DELTA SIGMA THETA.
(Mildred I. Griffin.)

A party Saturday April 10 marked the beginning of festivities in celebrating the first birthday of Delta chapter. The artists of the home displayed their skill in decorating the rooms with the sorority colors of red and white. Baskets of red and white roses and palm trees arranged throughout the several

rooms added much to the beauty of the decorations. The evening was spent in games and dancing and at the closing hour booklets were distributed which were in the shape of a triangle, representing the Greek letter, Delta and inside were the names of the members of Delta Sigma Theta. The out-of-town guests were the Misses Genevieve Bush, Isabelle Thompson and Master Roger Bush of Clinton, Iowa. Mesdames Arthur Jackson, C. Mack and Dr. Wm. H. Beshears of Cedar Rapids. Chicago and Illinois Negroes Oppose Lowden for Wood

Chicago, Ill.—In a recent speech, Gen. Leonard Wood said, "The farmers constitute a full third of our population and the welfare of the nation is practically bound up with theirs. Yet the benefits of modern civilization have not been extended to our rural communities in any such measure as they have a right to demand. Education for farm children should be universally accessible."

Chicago, Ill.—There has been a drifting into Wood headquarters in Chicago, a steady stream of reports showing that the general is going to get a lot more votes in this state at the April 13 presidential preference primary than some of the wise politicians were willing to grant when he entered the Illinois race.

Wood's entry in Illinois was greeted

by Lowden's manager with a lot of scorn. They grinned sarcastically and seemed to think it a huge joke that anybody should think he could come into Illinois and make them the least trouble. They laughed when republican congressmen and one or two democrats replied to N. W. MacChesney, chairman of the Illinois campaign for Wood, saying Illinois was solidly for Wood. But since the arrival in the city of several down state visitors, some friendly assurance has disappeared and the governor's friends have set to work to nail some planks on his political fences right here in his own home state. They won't admit any such thing at his headquarters in Chicago, or in Springfield, but from reliable sources come reports of their sudden aversion which are known to be correct.

BOSTON STREET RAIL- WAY REFUSE COL'D MEN FOR MOTORMEN AND CODUCTORS

Boston, Mass.—M. W. Bullock of Boston charges that the trustees of the Boston Elevated refuse to employ Negroes as conductors and motormen because of their color. He asked the legislature committee on labor to report a bill that would oblige managers of street railway companies to extend "equal opportunity" for employment to all citizens.

NEGRO CAPITALIST MAKE BID ON FAMOUS ASTOR ESTATE

H. H. PACE AND HARDY INTENDED TO PURCHASE HOME FOR COMPANY.

On March 11, the Henry Astor estate embracing over 100 houses and stores in the Times Square section of New York was sold at auction under court sanction to close up the administration.

This property once a farm had long since been occupied by typical city structures, both in business and residence. Much of this is occupied by theatres and business enterprises associated with the theatre. Such as was not so occupied along Broadway, Forty fifth or forty-sixth street very naturally was desired by the fast expanding Broadway interests.

This sale held in the beautiful and famous ball-room of the hotel Astor, goes into the world's history as the greatest auction of the age, measured by any standard—the value of the property sold, the wealth represented, the number present, the historic interest of the scene of the sale.

It is not surprising then that the auctioneer should have commemorated the occasion by having a large group photograph taken during the sale.

This picture discloses that among the bidders, our race was represented by Messrs. Henry H. Pace and W. C.

Handy, the successful music publishers. When interviewed, Mr. Pace acknowledged that their firm had attended the sale with the intention of purchasing a permanent home for the "House of the Blues" now much cramped in their leased quarters in the Gaiety theatre building on Broadway.

"While we were prepared to pay a price a little in excess of the value prevailing in this district," Mr. Pace continued, "we were not in a position to compete with the two rival theatrical syndicates who established new and greatly enhanced values for this property in order to obtain theatre sites."

Mr. Pace is hopeful, however, of soon obtaining title to property in the district that will suit their purposes for years to come.

This is probably the most substantial evidence of the success of the big race publishers and is of added interest, because it was disclosed by white real estate operators and the fact that the news was out, surprised these gentlemen greatly.

Judging from the popularity of two of their numbers, "The Yellow Dog Blues" and "Think of me Little Daddy" that sale had been a few days later Broadway would have had a surprise.

Station-to-Station Calls Are the Cheapest and Quickest Long Distance Telephone Service

Two principal classes of long distance telephone service are in use. They are known as "STATION-TO-STATION" and "PERSON-TO-PERSON" service.

Station-to-station service should be used when you are willing to talk to anyone at the distant telephone called. Person-to-person service is intended for use when you wish to talk to a particular person or persons.

Station-to-station service is not only cheaper but it is more rapid and less subject to error than person-to-person service. On station-to-station service the call can be completed as soon as the distant telephone is answered, while on person-to-person service the particular person wanted must be located and summoned to the telephone.

The charge for a station-to-station call can not be reversed; that is it can not be charged to the telephone called, for in that case the telephone operator would have to locate a particular party to approve the charge which would make it a person-to-person call.

HOW STATION-TO STATION CALLS SAVE MONEY

Station-to-station calls, no doubt, can always be used for a large part of your business or social calls, but you may be able to make greater use of this lower-priced service if, just before you place your call, you will analyze the probable conditions in the office or home of the person wanted.

For example, if it is possible that Mr. Brown may be out but his clerk can give you the information you want, a station-to-station call will meet your needs. Or if you are reasonably sure Mr. Jones will be at home at a certain hour, a station-to-station call could be made advantageously.

Then too, by making previous arrangements, the person you want could be near the telephone at the time you put in your call.

For example, if Mrs. Jones calls her daughter regularly once a week, it could be arranged between them that the call will be made at a specified time so that the daughter can be near the telephone to receive the call. If it is an occasional call, a postal card could be sent to the daughter telling her what time the call will be made.

HOW TO MAKE A CALL

When making a STATION-TO-STATION call, you would say, for example, "I want to make a Station-to-Station call to George Smith's store at (give town and state and, if known, the street address and telephone number).

If you want to use PERSON-TO-PERSON service you would say, for example, "I want to make a Person-to-Person call to John Smith at George Smith's store at (give town and state and, if known, the street address and telephone number).

EXMPLES OF DIFFERENT RATES

Following are examples showing the station-to-station and person-to-person rates for distances up to sixty-four miles:

Miles	Station-to-Station	Person-to-Person
0-12	\$.10	\$.15
12-18	.15	.20
18-24	.20	.25
24-32	.25	.30
32-40	.30	.40
40-48	.35	.45
48-56	.40	.50
56-64	.45	.55

APPOINTMENT AND MESSENGER RATE

Appointment calls and Messenger calls are special kinds of person-to-person calls.

An APPOINTMENT CALL rate, which is about 50 per cent higher than the station-to-station rate, is quoted for service when an appointment is made by the calling party to talk at a particular time.

When a person who does not have a telephone is called over long distance and a messenger must be sent to summon the party to the telephone, the MESSENGER CALL rate which is about 50 per cent higher than the station-to-station rate, is charged, and to this is added the necessary messenger charges.

THE REPORT CHARGE

When you place a call for a particular person or persons and for any reason they can not be reached the same day at the address given, or will not talk, or if you make a call and you are not ready to talk when the other person is ready within an hour, a REPORT CHARGE is made. The report charge is about one-fourth the station-to-station rate. It is intended to cover part of our expense of handling the uncompleted call.

SPECIAL EVENING AND NIGHT RATES

The EVENING rate, between 8:30 p. m. and 12 midnight on station-to-station calls, is about one-half the day rate. The NIGHT rate, between midnight and 4:30 a. m., is about one-fourth the day station-to-station rate.

However, no evening or night rates are quoted on station-to-station calls where the day rate is less than 25 cents. On such short-haul calls the day rate applies. For longer distances special evening and night rates are quoted.

Because it is difficult to reach particular persons at night, when many are away from their homes and places of business, there are no special evening or night rates quoted for person-to-person calls.

CLARINDA ITEMS.
On last Sunday April the second Baptist church and the A. M. E. church Sunday schools rendered their Easter programs. The Baptist school at 3 p. m. the A. M. E. at 5 p. m. There having been a terrific snow storm on Easter Sunday which interfered with rendering the program.

The children of both schools seemed to realize the importance of the occasion as never before and all of them, entered into the service most joyously. Much credit is due Miss Viola Walker and Mrs. G. N. Nowling for the part they took in training the children. A perfect union on the part of the two churches was witnessed in the program and the sentiment of true brotherly friendship was fully expressed and felt.

While Easter Sunday was a bad day it was a sad one. The cause being, that the Baptist Sunday school had lost one of her most loving and consecrated teachers, Mrs. Wm. Headley was loved by all who knew her. She will be greatly missed by the citizens of Clarinda. Her funeral services were conducted by her pastor Rev. J. H. Reynolds, Rev. R. B. CORINTHIAN ITEMS.

Last Sunday was a glorious day. The pastor was filled with the Holy Ghost and preached two wonderful sermons, at the morning and evening worship.

On last Tuesday, April 6 one of the most wonderful get-together meetings and the first of its kind ever held in the history of the colored Baptist church convened at Corinthian church. The call was for one preacher and one layman from every Baptist church in the state, to perfect plans for the inter-church world movement at nine thirty o'clock thirty-five ministers and laymen assembled in the auditorium of the church. There they made and accepted plans to raise their portion of the sixty million dollar drive.

At twelve thirty o'clock in the dining room the best dinner obtainable was served. Too much praise cannot be given to the ladies of the Herald committee who served the dinner. Thirty dollars was cleared by the committee.

On Thursday night April 8, the Sunday school executive board held a successful meeting in the church auditorium. The president, Mrs. H. R. Graves presided. A musical program was carried out at the Sunday school convention at Waterloo, Iowa, was arranged. One of the features is to be the chorus of fifty delegates to be chosen from the delegates to the convention. The chorus will be directed by Mr. H. R. Graves, chairman of Corinthian church.

The banquet given by Mrs. Mary Mease Scott on March 23 at Corinthian church was one of the greatest ever given. The two hundred persons present all felt that for fifty cents a plate and a musical program in addition that they had well received their money's worth.

Mr. Scott wishes to thank the participants on the program who performed so creditably also the waiters who assisted in the serving. Mr. E. C. Robinson and Mr. D. E. Henderson who received the tickets and the ladies who rendered such excellent service in the kitchen.

Mrs. Scott turned over \$129.47. Many thanks to her for her generous contribution.

The Corinthian Herald association will meet indefinitely on the second Thursday and the fourth Friday in each month. The president hopes to see a large attendance at the home of Mrs. Nichols on Park street Friday April 23 at which time Mrs. Ida Mary Owens and Mr. William Woods will be hostess and host.

The Herald committee is rejoicing and praising God for the great success and many good things accomplished. Today it boasts of owing no one and over \$50 in the treasury. God is leading the great association. Monday April 19 at 1600 Stewart street.

We are glad that our pastor has spent three successful years at Corinthian. His leadership in the community has been commendable. He is also celebrating the fact that three times twelve plus one are the number of his years on earth. May he live to celebrate many more April 15.

We are earnestly praying that Lorraine Crawford may stand as long as the next one in the big championship spelling contest Saturday evening April 24 at the auditorium. There are only two colored contestants one from North high and one from East high.

IOWA NEWS

DAVENPORT ITEMS.

Easter Sunday was a glorious day for the citizens of Davenport, the first thing notable during the day for the citizens of Davenport, the first thing notable during the day was the vesper services held at the Y. W. C. A. at 8:30 a. m. The Y. W. Glee club sang several Easter anthems, after which short talks were given by several of the Y. W. C. A. leaders. About 7:15 the vesper services let out. And then a few of the older girls entertained a number of young men to breakfast at 8:30 a. m. The young men claimed the Y. girls were some entertainers, and their cooking was something worth while speaking about although the fellows did furnish it. But it was an affair to be remembered long by those who partook of the same.

The next event was the sermon preached by the Rev. Dr. E. B. Moore of the Bethel A. M. E. church. It seemed that the pastor, Rev. Moore was certainly in accord with the Easter tide for everyone was well pleased with the sermon. The church was decorated in the usual manner for Davenport, with palms and flowers and Easter colors strung here and there. The last event of the day was the program rendered by the students of the Sunday school, which drew quite a crowd, to the services. After he day was gone he people who appeared about the church said that Easter day had not been spent frivolously, and everyone was happy, spreading their glad attire.

We are quite sorry to relate to this writing that the Mrs. S. B. Moore, wife of our pastor, Rev. Moore is quite ill. She has been ill for a number of days and at one time was not expected to recover but has since passed the danger point, but is yet quite ill. We all wish her a speedy recovery.

There is quite a lot of competition going on between the teams recently organized by the members of the Bethel A. M. E. church. They are planning for a big rally to be pulled off during the month of May and the finals to be on June the first. The pastor picked out some very competent captains and they are all working hard to out-do each other. The captain reporting the most funds will be given a banquet that is to be held and his associates in his team by the rest of the teams. Here and there can be frequently heard words "Never mind I'll be the one to sit down at the banquet table" and with a little laugh of confidence walk spryly away. But we'll all know when the finals are counted.

There was quite a time held at the A. M. E. church Sunday afternoon. The N. A. A. C. P. was favored with a lecture by the assistant secretary, Mr. White of the National headquarters of New York City. The affair proved to be quite a success, both numerically and financially for the local branch.

Sunday morning will be a spectacular one for the members and friends of the A. M. E. church and they will be favored with a rare treat. The Rev. Moore has secured two of the rare leading singers in the persons of Prof. Paul A. C. Halley, and Madame Juan-

There was a motion that the body be permanently organized and called the "Colored voters league of Iowa City." The organization then proceeded to elect officers, T. S. DAVENPORT ITEMS.

Easter Sunday was a glorious day for the citizens of Davenport, the first thing notable during the day was the citizens of Davenport, the first thing notable during the day was the vesper services held at the Y. W. C. A. at 8:30 a. m. The Y. W. C. A. club sang several Easter anthems, after which short talks were given by several of the Y. W. C. A. leaders. About 7:15 the vesper services let out. And then a few of the older girls entertained a number of young men to breakfast at 8:30 a. m. The young men claimed the Y. girls were some entertainers, and their cooking was something worth while speaking about although the fellows did furnish it. But it was an affair to be remembered long by those who partook of the same.

The next event was the sermon preached by the Rev. Dr. S. B. Moore of the Bethel A. M. E. church. It seemed that the pastor, Rev. Moore was certainly in accord with the Easter tide for everyone was well pleased with the sermon. The church was decorated in the usual manner for Davenport, with palms and flowers and Easter colors strung here and there. The last event of the day was the program rendered by the students of the Sunday school, which drew quite a crowd, to the services. After he day was gone he people who appeared about the church said th Easter day had not been spent fruitously, and everyone was happy, spreading their glad attire.

We are quite sorry to relate at this writing that the Mrs. S. B. Moore, wife of our pastor, Rev. Moore is quite ill. She has been ill for a number of days and at one time was not expected to recover but has since passed the danger point, but is yet quite ill. We all wish her a speedy recovery.

There is quite a lot of competition going on between the teams recently organized by the members of the Bethel A. M. E. church. They are planning for a big rally to be held during the month of May and the finals to be on June the first. The pastor picked out some very competent captains and they are all working hard to out-do each other. The captain reporting the most funds will be given a banquet that is to be and his associates in his team by the rest of the teams. Here and there can be frequently heard words "Never mind I'll be the one to sit down at the banquet table" and with a little laugh of confidence walk spryly away. But we'll all know when the finals are counted.

There was quite a time held at the A. M. E. church Sunday afternoon. The N. A. C. P. was favored with a lecture by the assistant secretary, Mr. White of the National headquarters of New York City. The affair proved to be quite a success, both numerically and financially for the local branch. Sunday morning will be a spectacular one for the members and friends of the A. M. E. church and they will be favored with a rare treat. The Rev. Moore has secured two of the race leading singers in the persons of Prof. Paul A. C. Halley, and Madame Juan-

On last Monday a week ago the funeral of Miss Mary Crawford was held she passed away on the 3 of March. She was the aunt of Mrs. Della Marshall, also aunt of Mrs. Ida Smith of Mason City. Her funeral was conducted by the Rev. Dr. S. B. Moore assisted by the Rev. E. K. Nickolson of the third Baptist church. Two beautiful selections were rendered by Mrs. Emma Brown Harris, and her mother, Mrs. Lena Brown, "Asleep in Jesus", and "Face to Face". Her body was taken to Cedar Rapids for burial accompanied by her two nieces.

The Rev. S. B. Moore and Mr. Eugene Green is expecting to attend district conference which will convene in Rock Island the 14 and 15 of this present month. The Rev. Moore was secretary at the last conference held in Burlington, Iowa but the condition of his wife, Mrs. Moore depends largely as to whether he will be there or not. There was a motion that the body be permanently organized and called the "Colored voters league of Iowa City." The organization then proceeded to elect officers, T. S. Boone, chairman; Miss Helen Lucas, secretary; F. W. Slater, treasurer. This organization is determined to right many wrongs that now exist and to create such a sentiment that law will be unbridled and given its intended course. Those who spoke at the meeting were Mr. W. E. Taylor, Rev. A. Ford, Mr. J. Dameron, Mr. A. W. Martin, Mr. F. W. Slater, Miss N. Harper, Mr. J. K. Titus, Mr. A. P. Smith and others. A great organization is hoped for.

52¢ How would YOU like a raise like this? **FIRST NATIONAL BANK** *Payable to the order of Mrs. N.E. Pappas* *Twenty Fifty Three Cents* *Each Church Member* —and for 34 Years Work

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours. But he is paid on the average just 52 cents more per church member than he was paid 34 years ago.

The Minister Never Fails You
Every officer of the Government with a war message to deliver appealed to the ministers first of all. But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family. When hospitals need money they enlist the support of the ministers—and receive it. But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's. 8 out of every 10 ministers receive less than \$20 a week—about half the pay of a mechanic.

We Pay Him Half the Wages of a Mechanic
And of these pitifully inadequate salaries, how much do you contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

We Are All Profiteers at Their Expense
Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.

If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can ever make.
