# Republican Party Expels Southern Negro

## REPUBLICAN PARTY SHAKE-UP.

(Special to Bystander).

At a meeting of the National Republican Committee this week, the republican leaders foresook the old landmarks of the party and indorsed a plan for representation in national convention which means condonation of disfranchisement of the Negro in the south. The movement may have two results. One is assured the downfall of Harding, the other the turning of the Negro to the democratic party in the north or to the socialist in the west is little more than surmise.

Henry Lincoln Johnson, national committeeman from Georgia, one of the state's affected by the change. Mr. Johnson made the fight of his life but, couldn't rally enough votes for support. The contest was one of the bitterest fought in the annals of the party even women screaming and cheering for Johnston in his fight at his best.

## GREEK ROYALTY GETS GRIP ON LEEDS MILLIONS

Coming Marriage of Young  
Leeds to Princess Solves Fi-  
nances of Royal Family.

## YOUNG GIRL IS TRUMP CARD

Great Fortune Built Up by One-Time  
Indiana Florist, Then Tin Plate  
King and Railroad Pyramid  
to Go to Greek Nobility.

New York.—Royalty, rather battered now by fortunes and misfortunes of European wars, seems in a fair way to get practically every penny of the "tin plate" millions of the American Leeds family. Good old America!

The great fortune built up by the late William B. Leeds, once Indiana florist, humble railroad worker, then manufacturer of tin plate, then railroad pyramid, is going for the benefit of impoverished titles of Greece.

News came from Athens the other day which, it is now disclosed here, means that royalty as represented by King Constantine of Greece and his relatives, have won the lone chance of getting the Leeds fortune.

King Plays Trump Card.  
And a seventeen-year-old girl was the "trump card" of the king of Greece in the game of royalty vs. American millions. The girl is Princess Xenia Georgievna, second daughter of Grand Duchess Marie and niece of King Constantine. She is to marry William B. Leeds, Jr., eighteen-year-old son of the late W. B. Leeds and Mrs. Leeds, who is now Princess Anastasia of Greece.

Young Leeds is sole heir to the millions his father left from his exploits in midwestern and Chicago finances. Mrs. Leeds, now Princess Anastasia, of course, has the use of the estate, variously estimated \$30,000,000 to \$40,000,000, but on her death, under the terms of the Leeds will, the whole estate goes to young Leeds or his heirs.

In other words, Greek royalty didn't stand much chance of keeping the Leeds millions unless they got the son of Mrs. Leeds (Princess Anastasia) into the royal family some way or other.

Princess Anastasia has been ill of late, too. In fact, she has been so ill in Athens that young Leeds recently rushed from New York to France, then by airplane to Athens, to be at the bedside of his mother.

It is interesting to note that Athens press dispatches say that young Leeds proposed to Princess Xenia the day after he arrived in Athens to see his sick mother. He was promptly accepted. And Xenia's acceptance means the battered and unlucky royalty can struggle along a few centuries more with the new riches unless politics or whims of subjects change things from royalty to democracy.

## THE COLOR LINE AND THE SOCIAL AND ECONOMIC STANDING.

The Tulsa condition a capital expression of the whites vent spleen on the Negro business success. Not the color line but, a myth situation used to attach the Negroes social and economic standing.

If there was a color line, why would it be necessary to inaugurate laws to prohibit Negroes and Whites marrying? Why would white women seek and allow association with Negro men? Why would a white man in the heart of the south commit suicide because customs and legislation prohibited him of marrying the woman he loved—a Negro woman? Why would there be places where white men would kill colored men for keeping company with colored women that the former is in love with? Why would a third percent of the Negro population of this country be malattoes and all other colors? A condition that has its origin where I need not say. With this actual fact who will contend that there is a color line?

When the Negroes in any community make a definite effort in the south—the place that color is talked about so much) to lift themselves socially and economically then a frame-up against them is started. In the South so long as a Negro is an Uncle Tom and slave for the white men they will do anything for him but, just the moment he "Looks upward" the very blood of the white man weeps for suppression of the Negro.

Any nation that takes up a sword against another wrongfully will perish by the sword. When a ditch is dug for another the digger falls in the ditch. The sword has been taken up against the black man in this country. He did not really awaken to the fact until his war-ridden bodies fell and decorated the fields of France like the eternal stars in the heaven. The white man taught him to fight, and one of those students lead the riot at Tulsa the other day that brings disgraceful headlines in the pages of papers all over the world—disgraced before God and man.

Don't say any more that there is a color line because we are mistreated. It's the social and economic standing that the white man wants to be masters in and instead of making things better they are making them worse. It will not be long before everyone will awaken to the fact that the right way is the best way.

**SANTAL MIDY** of the **CATARRH OF THE BLADDER**. Each Capsule MIDY bears name **DR. MIDY** Beware of counterfeits. Recommends Chamberlain's Tablets. "Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Vreeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.

## FITS

I want every man, woman and child who suffers with Fits, Epilepsy or Rolling Sickens, to send at once for a free bottle of my famous treatment, LEPSO. No matter how long you have suffered, or how many so-called cures you have tried, without result, do not give up until you try this treatment.

## Send No Money

Don't send me a penny. Simply give me your name, age, and address and I will send you by return mail, all charges paid, a free bottle of LEPSO. Then you can prove to yourself, entirely at my expense, just what this famous treatment will do for you. When so many other sufferers state that LEPSO has brought them complete freedom from this terrible affliction and I offer to send it free, you surely owe it to yourself and to your loved ones to give it a trial. Mrs. Della Martin writes me that she has not had a fit since she has used LEPSO. Mrs. Paul Green says she has had her fits for years, but that she has not had one since she has used LEPSO. Do not let this opportunity pass you by. Write me at once for your free bottle. The bottle has not had a single fit for over twelve years.

## Accept My FREE Offer!

Don't drink. Don't smoke. Don't use any more of the free good stuff. If you will send me your name, age, and address, I will send you by return mail, all charges paid, a free bottle of LEPSO. Do not let this opportunity pass you by. Write me at once for your free bottle. The bottle has not had a single fit for over twelve years.

R. P. N. LEPSO, 22 Milwaukee, Wis.

The Home of the Soul. In olden times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Give them a trial. They only cost a quarter.

## STRAIGHTEN YOUR HAIR

Not with hot irons. But do it with Kink-no-more, the greatest hair straightening preparation on earth. Kink-no-more will straighten the finest kind of hair. Think about it—a preparation that all you have to do is apply it to the hair, and, with a little combing, the hair comes straight, not for one day, or one week, but to last from six to eight months. Water nor anything else will make it kink again after it has been straightened. Kink-no-more is a wonder worker. So marvelous does it do its work that one is hardly believe their own eyes. It works like magic, and is unique because there is not another preparation in the world like it. We offer a reward of \$100 for any head of hair that Kink-no-more will not straighten. Kink-no-more is a vegetable compound; it is perfectly harmless and will not injure the scalp nor hair, but will stop it from falling out; positively removes dandruff, promotes a luxuriant growth of healthy hair and keeps it soft and glossy. Remember that Kink-no-more is sold under a guarantee to do all that is claimed for it or money refunded. We will send to any one on the receipt of \$1.00 a regular size box of Kink-no-more, enough to straighten from one to two heads of hair. When ordering send registered letter, postal money order or express money order. Liberal inducements offered to agents. Write today for special terms. Enclose 2-cent stamp for reply. Agents wanted everywhere. Address Prof. L. F. Shelton, 1138 East Tenth Street, Los Angeles, Cal.

## Chamberlain's Colic and Diarrhoea Remedy.

Every family should keep this preparation at hand during the hot of the summer months. It is almost sure to be needed, and when that time comes, is worth many times its cost. Buy it now. Why Suffer From Rheumatism? Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.
