CONSIDER SOCIAL PROBLEMS AS THEY AFFECT NEGRO LIFE National Conference of Social Work at Milwaukee Most Liberal in its Attitude Toward Negro

in This Country. Colored Social Workers in Attendance Have Prominent Part in Activities of Conference Through All Sessions.

The National Conference of Social Work with a membership close to 5,000 persons from all over the United States which met in Milwaukee, Wis., June 22-29, 1921, is perhaps the most liberal large conference body in its attitude towards the Negro in this country. Each year in its week's discussion of the many social problems of the day considerable thought is given to social problems as they affect Negro life.

DRAKE UNIVERSITY HEAD PRAISES ETHEL BOMER

Miss Bommer graduated recently from the Drake Conservatory of Music, the first to graduate from the vocal department in twenty years. She is well loved by all who knew her and rendered excellent service as organist for St. Paul A. M. E. church of Des Moines for some time. After her graduation she left for the Pacific coast where she is a member of the Cadmen chautauqua—Lincoln circuit.

Recently this statement was issued by the dean of Drake university:

I thought you would be interested in knowing that we graduated today two very clever young colored people. Poor Malcolm has gone but his parents got his diploma. Ethel Bommer was the other and I want you to know she was one of the very best students ever entered at Drake, absolutely reliable, always high grades. All the teachers are proud of her. She has an unusually fine soprano voice plays well, is a sound musician and always will be a great credit to her race.

It is a great pleasure to me to recommend her to you.

I am yours sincerely,
Holmes Cowper.

Mr. H. L. Johnson, who resides on Cente r street was robbed Saturday night by two masked Negroes while on his way home.

"JOBLESS MEN" ARE FINDING WORK IN THE WHEAT FIELDS THROUGH THE FEDERAL EMPLOYMENT BUREAU, THE SUPPLY AND DEMAND IS ABOUT SAME.

(By A. N. P.)

Kansas City, Mo., July 7.—Mobilization of the labor army which moves northward from Texas to Dakota every year, cutting the wheat as it ripens, is beginning here. Through the free employment agency maintained by the Federal Department of Agriculture, working in co-operation with the state free employment bureaus, thousands of men are sent every year to the localities where they are needed most and warned away from the places where there already is abundant labor.

The demand began in earnest about June 15 and to date, supply and demand have been about normal here and have offset each other fairly well.

From Fort Worth, Texas and Little Rock, Ark., where the Federal Employment Bureau maintains temporary "field offices" have come reports of about 2,000 surplus men. These men are now being directed to Oklahoma, where the wheat harvest is under way. Hutchinson, Kansas has asked for eight hundred men and Wichita wants about 1,500.

Mrs. Zora Ewing, who resides on Twelfth street, will leave the city Monday for a visit to her mother and father in Kentucky. Her parents are very ill at this time.

If you don't like one, there is the other to trade with.

If you had one third of the loyalty of the Jew or Chinaman you would soon have some of those colored enterprises employing ten or twelve of our girls and boys to wait on the trade.

UNION CONGREGATIONAL CHURCH

Tenth and Park streets, B. F. White, pastor.

The presence and influence of the pastor's wife, Mrs. B. F. White who has recently joined him from their southern home is proving a valuable adjunct to the church as well as being of incalculable help and consolation to him.

The morning service and church school the past Sunday were marked by an increased attendance and a splendid day was enjoyed. The Rev. W. W. Ewing, pastor of Second Baptist church of Clinton, Ia., filled the pulpit at the morning hour, who spoke very acceptably.

The Sunday evening services and Christian Endeavor meetings have been combined into one service of one hour during the hot months

HELP TOM LEWIS.

Tom Lewis, the accused murderer of Sarah Thorsdale has been bound over to the grand jury. The judge that gave these orders made it plain that he was not doing this because he thought that Lewis was guilty but that the grand jurors should review the case.

It will be some time before this body meets and in the meantime there are a lot of "Jackass" politicians and "Negro haters" that will be working all kinds of tricks to gain more against this man to convict him of a crime that very few believe he committed. I am sure that the crime is so disgraceful that it would be very satisfactory to fix it on some colored man—such as any race spells disgrace.

Those who are interested in seeing one of our people get justice can express their appreciation in terms of cold cash. The man must be defended and some organization for the advancement of righteousness should sponsor a movement to collect sufficient funds to see that this man gets justice. Don't run around the street and tell the world that you don't believe that he is guilty, that is worthless but, see his attorney and lend him a helping hand in cash.

THIS IS WHAT JACK DEMPSEY AND JACK JOHNSON THINK ABOUT EACH OTHER

"We are Willing to Meet 'em Says Kearns.

New York, July 7.—"If there is a public demand for a match between Dempsey and Johnson we are willing to meet him" says Kearns, manager of the champion regarding a telegram sent him by a group of California sportsmen who are for the bout. Kearns says he does not feel that the public wants such a bout in view of what he calls Johnson's unfortunate position.

Leavenworth, Kan., July 9.—Jack Johnson, former heavy-weight pugilistic champion, was released from Leavenworth federal prison here shortly before 10 o'clock this morning after serving ten months of a year's sentence for violation of the Mann act.

Johnson said that he would go back into the ring soon and declared he would seek to wrest the championship from Jack Dempsey.

"It doesn't make any difference what Dempsey says about drawing the color line, the public wants Dempsey whipped," the fighter said, "and the public knows I am the one to do it."

"I have a war record to be proud of," Johnson continued. "I offered myself to the government for military service during the war but I was not accepted."

He declared, however, that he did secret service work for the American government in Spain during the war.

"My war record," the former champion said, "will stand investi-

"LILLY-WHITES" AND "BLACK AND TANS"

FIGHT BITTERLY IN FLA.

Tampa, Fla., July 7.—A bitter patronage row is on between the Florida "lily whites" or irregulars, and the "black and tans" or regular Republican organization. The "lily whites" are fighting the appointment of Matthew B. Macfarlane of this city to be collector of customs for the Florida ports and have so far succeeded in blocking his confirmation by the Senate. Macfarlane was nominated by President Harding ten days ago to succeed John F. C. Griggs of Tampa. It is expected the objection will be unavailing and that Macfarlane's nomination will shortly be confirmed.

Why Suffer From Rheumatism?

Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.

Recommends Chamberlain's Tablets.

"Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Vreeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.

That Was the Reason.

"The paper states that you pleased a big audience at the banquet last night." "The paper is wrong. I did not appear." "Um, I guess the paper is right."

Alden P. Blagburn, 1827 Jefferson street, objects strenuously to being named co-respondent in a divorce suit filed in District court several weeks ago.

Wednesday Blagburn filed a petition of intervention in the case of Ada Wilson against Arthur Wilson, claiming that Wilson tried to get him in a compromising position with Mrs. Wilson so that the circumstances would aid Wilson in resisting the plaintiff's case and defeating her right to the custody of a minor child.

In the answer filed by Wilson, Blagburn is named as co-respondent.

In his petition of intervention, Blagburn desires to clear his name of any improper relations with Mrs. Wilson.

CHURCHES.

There is a rather unique church organization at Sixteenth and Filmore streets—The Holly Church, commonly known as the "Holly-Jumpers" or "Holly Rollers." Recently a Bystander representative while in that neighborhood was attracted by the unusual noise that can be heard for some three or four blocks while they are carrying on their services, entered their domicile of worship and there saw the strangest sight. The congregation composed of both white and colored worshippers—little and big all, shouting, singing, preaching, jumping at the same time.

One going there for curiosity sake will be dumbfounded at the sincerity with which they carry on their services. It seems with life. Recruits at frequent intervals amid the preaching spring up from their pews and recite with tremendous fervency their religious status while like a storm the others are yelling and shouting amen, etc.

It makes one think of the mineral pictures that we form of the African's way of serving the Lord in the jungles—then all of a sudden we think of the day of pentecost and find ourselves semi-dumbfounded.

The services last Sunday were conducted by chiefs of that faith from Omaha.

BAPTIZING AT BROOK'S LAKE — SERMON AT KYLE'S A. M. E. CHURCH

Brook's lake will be a scene of a big event on Sunday afternoon. There will be candidates from Kyle's A. M. E. Zion and Bethel A. M. E. churches. At 3:00 P. M. Rev. W. H. Wheeler will preach the baptismal sermon after which the congregation will proceed to the lake. Cars will leave Sixteenth and Walker streets at 2:00. Kyle's chapel is located at East Eighteenth and Scott streets. Brook's lake is located on East Twenty-fourth and Court avenue. A good crowd is expected. Will you come?

Our attendance was fair on the tenth. The general condition of the school is fine.

Prof. Warricks is organizing an orchestra assisted by Dr. Lowery and others.

The normal department has re-organized for the ensuing year, under the superintendency of Atty. S. Joe Brown. Mr. Brown will be glad to have anyone join who cares to. We had a very successful rehearsal immediately after Sunday school.

Mrs. S. Joe Brown is working very hard for the success of this great pageant "The Rise of African Methodism." Mrs. R. E. Patten is doing great work with the primary department.

Out of town visitors at our school Sunday were: Mrs. A. V. Stallworth of Buxton, Miss Zetta Battle of Minneapolis, Miss Golda Crutcher of Ames and Mr. Otis of Ames.
