10,000 FACE FAMINE IN THE SOUTH

10,000 LIKELY TO DIE OF FAMINE THIS YEAR

Starvation Confronts Thousands in the South; Break in the Market is Held as the Blame.

Washington, D. C., July 21.—Famine has developed in many sections of the south which is responsible for 10,000 deaths this year according to the public health service.

It is the farming section from Texas to Carolina that the conditions are worse in.

The tenant farmers who devoted all their land to cotton are forced to let their cattle, hogs and chickens die of starvation. Nevertheless they must be carried over without any assurance for better in the market.

LASHES MINISTER

At Miami, Fla., eight masked men seized Rev. Philip S. Irwin, white, archdeacon of the English Episcopal church, and head of that church work among the Florida Negroes and taken into the woods and applied a coat of tar and feathers.

Mrs. Beulah Johnson was last night taken from a hotel porch in Shreveport, stripped and tarred and feathered.

At Warrenburg, Mo., Richard Johnson a retired farmer was seized and whipped by three men. He was warned to leave the country.

MOVIE MAGNATES OF CALIFORNIA AGREE TO DESTROY "BIRTH OF NATION" IF NEGROES WILL STAND WITH THEM ON THE CENSORSHIP QUESTION

New York, July 16.—The N. A. A. C. P. announces that through actions taken by the legal advisor of the Los Angeles branch, the showing of the Birth of a Nation film had been stopped in Los Angeles and in the state of California.

The Associated Picture producers have assured the Negro that the "Clansman" would no longer be shown in California if the Negroes would stand with them on the censorship. It is agreed that the "Clansman" is to be destroyed. The feeling is everywhere that the picture is unfair to the Negro and injurious to the public.

TULSA RELIEF DAY

Tulsa, Oklahoma, July 11.—The colored citizens of Tulsa, Oklahoma through their relief committee, respectfully ask that Sunday, July 24, 1921, will be set aside in all churches throughout the United States, as Tulsa Relief Day, and that the pastors and officers of their churches will ask the prayers of every member of their respective congregations for the thousands of victims of the cruel mob that looted and burned the homes and business places, churches, schools, lodges and everything that the people possessed, and to this day have tried to take the land for other purposes and remove the colored people to a remote field of eighty acres of land wholly outside the city limits and to which a good title cannot be had.

Our people are living in tents loaned to them by the Red Cross, many of which have only dirt floors and no bedding save government cots. Cooking utensils are very much needed. Should winter catch us in this shape there will be great suffering.

This appeal is to every church, lodge, club, commercial club and every other organization of the race and to organizations of other races who will help.

MASONS PASS ONE THOUSAND MARK

Grand Master Gross Re-elected

Sioux City, Iowa.—(Special to Bystander)—The thirty-fourth annual communication of the United Grand Lodge of A. F. & A. M. held at Sioux City last week proved to be in several respects the most successful in its history.

Grand Master W. W. Gross reported two new lodges organized during the year, namely, Tuscan lodge at Centerville, Iowa and Corinthian lodge at Ft. Madison, Iowa. The number of lodges in the state is twenty-two and raising the membership from 794 last year to 1,013 being the first time the membership has passed the one thousand mark, and while the reports of the grand secretary and grand treasury showed eighteen death claims the largest number in the history of the Grand Lodge as having been paid during the year their balances showed remaining in the treasury over four thousand dollars.

The members of Decatur lodge and Harmony chapter of O. E. S. covered themselves with glory in the magnificent way in which they entertained the grand lodge holding the regular sessions in the splendid Pythian temple (white) while all meals were served by the ladies of the O. E. S. in the regular hall of Decatur lodge.

On Tuesday afternoon the grand lodge called off and made a grand street parade through the principal streets of the city headed by a splendid brass band and at the conclusion of the parade boarded a train of electric cars furnished by the local lodge and were conveyed over into South Dakota to a beautiful park where a program was given consisting of addresses of welcome by the Hon. Mayor of Sioux City and Past Senior Grand Warden, M. Askew of Decatur lodge which were responded to by Grand Master Gross, Junior Grand Warden, D. N. Crosthwaite and Past Grand Masters John L. Thompson and S. Joe Brown after which the ladies of the O. E. S. spread one of the most sumptuous repasts ever set before a Grand

Lodge during the serving of which delightful music was dispensed by Prof. J. W. Walker's inimitable Jazz orchestra.

On Wednesday evening the usual grand lodge of sorrow was held at the Malone A. M. E. church at which eulogies were delivered by F. S. Johnson, Worshipful Master of Union Lodge No. 1 of Keokuk, Iowa, and Rev. I. B. Smith, Deputy Grand Master of Nebraska, who in addition to being pastor of the A. M. E. church is also teller in a white bank in Lincoln, Nebraska, and who was the honored guest of the grand lodge.

Among the other distinguished visitors present were Mr. Z. A. Taylor of Ottumwa and Mr. R. N. Hyde of Des Moines, both of whom were present at the organization of the grand lodge thirty-four years ago.

On Thursday afternoon occurred the election of officers which resulted as follows:

Grand Master, W. W. Gross, Keokuk; Deputy Grand Master, W. W. Williams, Ottumwa; Senior Grand Warden, B. N. Hyde, Des Moines; Junior Grand Warden, Ed Askew, Sioux City; Grand Treasurer, John D. Reeler, Mason City; Grand Secretary, Geo. L. Suter, Marshalltown; Grand Custodian, J. E. Bradford, Davenport; Senior Grand Deacon, Albert Gater, Des Moines; Junior Grand Deacon, H. B. Smith, Davenport; Senior Grand Steward, Geo. Montgomery, Clarinda; Junior Grand Steward, H. Crayton, Washington, Grand Chaplain, M. O. Culbertson, Clinton; Grand Marshal, W. A. Givin, Council Bluffs, Grand Master of Ceremonies, Virgil Warren, Mason City; Grand Standard Bearer, J. W. Lacey, Waterloo; Grand Sword Bearer, J. W. Roberts, Mason City; Grand Pursuivant, R. Nelson, Oskaloosa; Grand Auditor, L. D. Lowery, Cedar Rapids; Grand Reviewer, A. G. Clark, Oskaloosa.

The next session of the grand lodge will be held in Des Moines in July, 1922.

LEGION POST BACKS JOHNSON FOR FIGHT WITH JACK DEMPSEY

Chicago, July 21.—The Sol-Sai-Mar post of the American Legion has pledged Jack Johnson its full support in a match with Jack Dempsey, and will immediately start a campaign among other legion posts favoring such a match, it was announced tonight.

Speakers at a banquet given by the post, which is made up entirely of white men, praised Johnson for his war work, saying he was en-

gaged in government secret service, and condemned Dempsey. The war records of the two men made it imperative that Johnson regain the title from Dempsey, Capt. J. P. Tansey, commander of the post said.

Previous to taking action, the post had Johnson examined by a physician, who declared the Negro to be in splendid shape and fit to fight. Pressure will be brought to bear on the governors of various states to permit the fight, according to the post's plans.

YES, HE IS A JUDGE AND A GOOD JUDGE TOO!

(By The Associated Negro Press.)
Chicago, Ill., July 21.—"If you women come into this court again I'll have your teeth pulled. Now sign the bond to keep the peace for a year and a day." So Judge Haas in South Clark street court settled a dispute as to whether Mrs. Emma Seymour or Mrs. Lucille Arsenaux, both living at 3213 Ellis avenue and both colored, bit the other first. Mrs. Seymour charged she had been bitten on the back.

Developing Self-Control.
Self-control may be developed in precisely the same manner as we tone up a weak muscle—by little exercises day by day. Let us each day do, as mere exercises of discipline in moral gymnastics, a few acts that are disagreeable to us, the doing of which will help us in instant action in our hour of need.—W. G. Jordan.

A Question.
Said the near cynic: "Judging from the time some of the young blood of this town arrive home in the morning, it's hard to tell whether to call them night owls or larks."

SEVEN YEAR OLD COLORED GIRL VICTIM OF OUTRAGEOUS ATTACK BY DEPRAVED WHITE MAN

Child in Serious Condition—Fiend in Jail; Daily Papers Ignore Case.

Pittsburgh, Pa., July 21.—Animal passion of the very lowest type and almost inhuman brutality played the leading roles in one of the most nauseating crimes of years when Frank Kwiatkowski, a Polish fiend, lured seven-year-old Eleather Clemens to a lonely spot near the Monongahela river last Tuesday evening shortly after 6 p. m., criminally assaulted her, and then, aided and abetted by a gang of ruffian friends, succeeded in getting away, only to be later captured and placed in jail.

Mother Tells Story.

With trembling lips and eyes filled with tears, Mrs. Clemens, mother of the small girl victim painted a vivid picture of all of the sordid details of the crime. Aided now and then by her brother, Mrs. Clemens told of sending the child to a nearby store of the man's forcing the girl to accompany him, of the assault committed under threat of death if the girl made any outcry, of the child's return in a pitiable condition and of the chase and capture.

GOV. KENDALL APPOINTS MRS. GERTRUDE E. RUSH AND MRS. ELNORA GRESHAM REPRESENTATIVES

The Northwestern Federation of C. W. C. to be held in Phoenix, Ariz., which the above named prominent Iowa ladies will represent the state where the tall corn grows.

Governors in other states have also appointed representatives to represent their respective states.

Among the prominent ladies that will attend this meeting are Carrie Hockaday of Gary; May Black Mason of Minnesota; Carrie L. Hamilton, Lillian Barlow, Geraldine Withers of Illinois.

PARKER-JOHNSON WEDDING.

The home of Mrs. A. L. Johnson, Sixteenth and McCormick avenue was the scene of a pretty wedding when Florence, daughter of Mr. and Mrs. Wm. Parker and Adolphus, son of Mr. and Mrs. A. L. Johnson were married in the presence of fifty relatives and friends. Rev. G. W. Robinson read the ring ceremony. The bride wore white beaded georgette and carried a shower bouquet of valley lilies and sweetheart roses. The wedding march was played by Miss Alice Bolden, who wore pale blue satin and a corsage bouquet of valley lilies. The bride was attended by Mrs. Marie Platter who wore grey satin and georgette and wore a corsage of sweet peas.

Mr. Donald Platter served the groom as best man. After the ceremony a four course dinner was served. Many beautiful and useful presents were received.

That Was the Reason.
"The paper states that you pleased a big audience at the banquet last night." "The paper is wrong. I did not appear." "Um, I guess the paper is right."

Proof Conclusive.
"No bachelor can understand a woman," declared Mrs. Stubkins. "Huh, you don't say so!" replied Stubkins, with a snort. "What else in the world do you suppose makes a man a bachelor?"—Judge.

THAT "DON'T CARE" ELEMENT.

Nationally a question is being asked are our social, political and religious organizations accomplishing within the shadows of what they should?

In every active thing there is a heart—a source—a dynamo. It is not a fact that a mammoth volcano within our colored race whose poisonous emissions composes a great factor in our disadvantages?

A few intelligent Negroes here and there are waiting, rousing their teeth and their very blood weeps for justice, while the masses "don't care" and that class is seldom if ever seen at church, civic meetings and are not interested in any organization that pretends to uplift humanity. It is that class that lives in the slums, those sections of the city where vice reigns supreme, where many of our so-called celebrities refuse to go—even to lift them up.

It can be safely stated the few of those people know about the "Equal Rights League" the "N. A. A. C. P." and similar organizations. Yet that "don't care" group is the problem, they are the ones that do not respect themselves or anyone else, they are the objects that are most conspicuously arrayed and employed everywhere and, there is where and by whom the Negro race is judged.

Until the leaders in the religious, social, civil work can make their respective organizations interest that "don't care" element very little can be accomplished.

Out of ten million Negroes in this country the number that is really interested in their welfare other than their back and stomach are few and far between.

Institutions for the uplift of humanity should direct more of their efforts in arousing those disinterested members of our race to a sense of their possibilities and the gravity of their conditions.

The sheep that is lost is the one that counts—not the ninety-nine that are saved. Go into the forest of the slums and habitations thereof and wrestle with the group until they "come over." Standing on the hills pleading can't be heard by the man in the ruins—the one that makes our National life hell.

JACK JOHNSON.

We are more than glad that Jack Johnson is out of prison. We trust he will find his levels of life, make his last fight and then go into the oblivion that inevitably awaits him. We like sports. We bewail, however, the situations of obscene professionalism to which many of its phases have fallen. Boxing is a healthful sport. Professional prize-fighting has gone about as low as it is possible for it to sink, we imagine. We do not think that a Negro champion is in any way a necessary adjunct to the upbuilding of our particular species of mankind. We don't think the "color line" will be wiped out by the fists of any colored fellow no matter how strongly and skillfully he might use them. And yet if it will break up the prize fighting game if a black pugilist should win the championship we are for a black champion. We are heartily tired of the yelping of the American white man about the stands he feels he must assume to maintain the integrity of his kind. In one breath he feels free to discount on the close relationship of the Negro to the Gorilla and in the next breath he flatly refuses to permit the best white brute to engage in a fistie encounter with the best black brute—mind we are speaking of prize-fighting—engaged in a fistie encounter to establish the question of superiority, whatever that may finally mean. There is no color in brutes. Jack Dempsey is as low in the social scale as it is possible for a human being to sink and Jack Johnson is about in the same boat. So what is the difference?

HELP TOM LEWIS.

Tom Lewis, the accused murderer of Sarah Thorsdale has been bound over to the grand jury. The judge that gave these orders made it plain that he was not doing this because he thought that Lewis was guilty but that the grand jurors should review the case.

It will be some time before this body meets and in the meantime there are a lot of "Jackass" politicians and "Negro haters" that will be working all kinds of tricks to gain more against this man to convict him of a crime that very few believe he committed: I am sure that the crime is so disgraceful that it would be very satisfactory to fix it on some colored man—such to any race spells disgrace.

Those who are interested in seeing one of our people get justice can express their appreciation in terms of cold cash. The man must be defended and some organization for the advancement of righteousness should sponsor a movement to collect sufficient funds to see that this man gets justice. Don't run around the street and tell the world that you don't believe that he is guilty, that is worthless but, see his attorney and lend him a helping hand in cash.

Children's Ailments

DISORDERS of the stomach and constipation are the most common diseases of children. To correct them you will find nothing better than Chamberlain's Tablets. One tablet at bed time will do the work and will make your child bright and cheerful the following morning. Do not punish your children by giving them castor oil. Chamberlain's Tablets are better and more pleasant to take.

Cushon, who attended the Baptist Sunday school convention held in Des Moines, then made their reports which were very good indeed.

Mrs. Lizzie Jack has as her guest this week Mrs. Johnson of St. Joseph, Mo.

Mr. Arthur Bryan is out of the city on his summer vacation. He will probably visit many of the few thousand lakes of Minnesota.

The Home of the Soul.

In olden times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Give them a trial. They only cost a quarter.

Chamberlain's Colic and Diarrhoea Remedy.

Every family should keep this preparation at hand during the hot of the summer months. It is almost sure to be needed, and when that time comes, is worth many times its cost. Buy it now.

Why Suffer From Rheumatism?

Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.

Des Moines, Iowa,
July 14, 1921.

Dear Brother:

There has come to the ears of the Executive Board of the Baptist Association of Iowa, Minnesota and South Dakota, that one Rev. Jos. H. Harris of Monmouth, Ill., has been going through the State of Iowa, conducting revival meetings without the consent of the pastors of the local churches.

Where this man has been, it has done much harm to the local church and pastor, and consequently he has held his meetings regardless of whether it met the approval of the pastor or not. He is also posing as an evangelist of the Western Baptist convention, but no such man for such position, was elected at the last annual session of the western convention at Kansas City, Kansas. Nor was he appointed by the Executive Board in our last regular meeting.

Therefore, with the great harm he has already done in our state,

COLORED WOMEN

SCRAPPERS FINED
Lucile Bell and Lulu Thompson, colored, were both each fined \$100 or thirty days in jail when found guilty of disturbing the peace and of vagrancy in Judge Bonner's court yesterday.

The case was continued July 13 when the plaintiff, Bell, failed to appear to press the charges against Thompson whom she alleged had attacked her with an ice pick. Thompson averred that Bell had drawn a gun on her. A bench warrant was issued for Bell and both women charged by the police with disturbing the peace and with vagrancy.

The women were arrested at the Bell woman's address on Des Moines street, where the disturbance occurred on July 3.

To those who are holding lucky numbers to the quilt that will be presented Taborian Hall Twelfth and Clark street Friday night, July 29 come out and see who has the lucky number.

SUNDAY SCHOOL NOTES
The loyalty of the parents and children are commendable in that during all the extreme heat of the past six weeks the decrease in attendance has been very slight.

We regret very much that it became necessary for us to move the date to August 1 for the presentation of this most wonderful production, but if you forget all else remember Monday evening, August 1 at 8:15 p. m.

Now is a good time to join our normal class. Miss George White, one of our graduate teachers, has suffered a mental breakdown which is sad news to all who know her, for she is a very lovable

character. The Cosmopolitan Glee club is expected to be revived. All members are requested to govern themselves accordingly.

Mrs. Eva Owens, Grand W. C. of G. C. O. of C., has returned from Mason City, where she instituted a new court of Calanthe.
