

Quarrel Over Girl Ends in Fatal Shooting

The Observer Art Exhibit Will Begin At The Center Next Thursday Night

By Chas. P. Howard

A NEGRO IN CONGRESS

Oscar De Priest, a Negro, has been elected to Congress from Illinois. For years certain white gentlemen from down south have ranted and charged about having to come in contact with Negroes in places other than their kitchens. These same gentlemen are hereby called upon to resign their seats in Congress and go back to the south because they are going to have to sit in Congress with a Negro, appear on Committees with a Negro, refer to him as "The Gentleman from Illinois" and otherwise fraternize with him in a manner that they have sworn they will never do. The only way they are going to get around doing it is to not go to Congress, because Oscar De Priest or some other Negro is going to have that seat in Congress.

Yes, I know De Priest is indicted. That indictment will in all probability be out of the way before time for him to go to Congress. If they refuse to seat him, some other Negro is going to be named. They need not think they are going to get around us by barring Oscar. If Oscar is not seated himself he will name the brother who will be seated and that brother will be colored. So there will be no great advantage in not seating De Priest. It has been noted that there was method in naming De Priest, the idea being that he could never be seated. If he is not seated some one of the many competent members of his organization will be started, having a member of our race in Congress is as it should be. Slowly but surely we are pushing upward.

Tommy Harris, well known comedian and his wife, Mrs. Madonna Harris, are visiting in the city. Tommy is now co-starring with Francis X. Bushman, the celebrated screen star in a vaudeville act. He is leaving Thursday for Cedar Rapids, then east. Mrs. Harris will visit with her parents, Mr. and Mrs. Claude Harris for an indefinite stay.

Nat'l Benefit 30 Years Old November 25

Highest Negro Enterprise—Is Acknowledged Leader in Racial Service.

(Washington Sentinel, 11-10-28)

The National Benefit Life Insurance Company, "the greatest Negro business enterprise in the world," is thirty years old on November 25th. The company was founded by Samuel Wilson Rutherford on that date in 1898, beginning business in a little office on F Street, famous business thoroughfare of the Nation's Capital, on the same site as the company's modern home office building occupies today. Its growth, in the period of thirty years since organization, is one of the outstanding modern miracles of Negro business.

From \$5 to \$5,839,198.62

The founder, Samuel Wilson Rutherford, who is today just as actively identified in its management as in the early days of struggle, recalls that the cash in hand possessed by the infant company, after payment had been made for the scant office furnishings and equipment with which it started business consisted of a five dollar bill. In December, 1927, is shown by the 29th annual statement, that the company had accumulated assets, in other words had been multiplied over a million times. Truly a miraculous achievement.

Insurance in Force, \$73,897,069

The same statement showed insurance in force of \$73,897,069.00, a tremendous reservoir of financial strength, of incalculable benefit to the entire race. The factors which have entered into this great economic victory, growing out of the vision and leadership of a boy from a Georgia farm, the grandson of a former slave who himself achieved freedom by his own effort and industry, should be of immediate and absorbing interest to every Negro. For this flourishing and progressive business structure, built on the most lasting and permanent foundations, is of exclusively Negro origin and management. It is a living testimonial to Negro business ability and industry.

The National Benefit Life Ins. Co. has just begun operation in Iowa, with State Headquarters in Des Moines.

Art Room Offered

The art exhibit room of the city library has been offered by Mr. Spaulding to the committee for its use throughout the month of December. Not only does he offer it, but urges the committee to take advantage of the room especially during the holidays. He informs the committee that because the workers have been delayed in remodeling parts of the library building, he was forced to cancel one of the national exhibitions booked to come to the library during November and December. Every effort will be made to take advantage of the offer.

Cash Prizes to be Awarded

Although cash prizes will be awarded for the best articles in each department, this is not primarily the purpose of the exhibit at the Center. The aim of the exhibit is to encourage art by the Negro so that others may know what the individual can do in the way of painting, needle work and other forms of hand work. No objection will be offered to persons placing prices on their articles for commercial purposes. It is not possible to announce the judges at this time, nor is it considered wise to name the committee which will select articles to be exhibited at the library. The Homecraft art exhibit is being sponsored jointly by the Community Service, represented by Mrs. Lillian Edmunds and The Roosevelt Club, represented by the educational committee, composed of G. L. Edmunds, chairman; John S. Coleman, and E. L. Dimitry, president of the club.

DES MOINES LAWYER BACKS FROM LEAVENWORTH

Attorney John L. Thompson returned Tuesday after spending several days at Leavenworth, Kansas, where he was called in connection with legal matters in two cases in which Attorney T. W. Bell and he were interested.

During his trip he visited St. Louis, Kansas City and other Missouri towns and joined in the celebration with the Negro voters over their election of three men to the state legislature: A. L. Knox of Kansas City, W. H. Moore and G. M. Allen of St. Louis.

Rev. Williams is Noted AME; At St. Paul

The Rev. Dr. Williams, who has just recently taken charge of the St. Paul A. M. E. church of this city is one of their outstanding ministers, of the A. M. E. connection, having pastored in many of the largest cities in the country including Nashville, Tenn., and Kansas City, Mo., and having also served as presiding elder in the Kansas City district and delegate to the general conference from both the Tennessee and the Missouri Conferences.

At the last general conference he was brought out by the delegation from Texas where he had also served as a candidate for chief secretary of the general conference for which office he was defeated by a narrow margin by Dr. J. S. Jenkins also of Texas, who was then elected.

During the few weeks that he has been in Des Moines old St. Paul church seems to have taken on new life, many prominent members who have heretofore been comparatively inactive having volunteered to assist in the drive that is now on to relieve the church of a great portion of its present financial embarrassment.

He has just brought to the city his devoted helpmate who has the reputation of being a most valuable assistant to her distinguished husband and who has already taken over the teaching of the Adult Bible class in the S. S. and the presidency of the Women's Mite missionary society.

Later announcements will be made of this affair from time to time and the public in general is invited. Watch for these announcements with a view to supplying their needs along all useful lines for less money than it can be done elsewhere.

Grand Jury Indicts Davis For Killing Father of Sweetheart

An argument of several days duration ended Saturday night in the murder of John Washington, 42, 1431 Illinois street, at his home.

Walter Davis, who lives at 1120 Second street, was arrested shortly before midnight on information furnished by Washington's wife that he had fired the shot.

Signs Confession

Davis was picked up by members of the police emergency squad at the Western Union office on Sixth ave., where he was employed. Later at the station he signed a confession admitting that he was responsible for the shooting.

The bullet which killed Washington, entered the right side of his chest and causing a hemorrhage. It was the second shot, Davis fired, Mrs. Washington said, the first one penetrating the muscles of Washington's arm. He struck the victim with his fist after the first shot, according to the witness. Washington died at Broadlawn General hospital.

Mo. G. O. P. Give \$1,500 To Church

St. Joseph, Mo., Nov. 15.—B. G. Vorhees, chairman of the republican state committee of Missouri, announced Friday night that the committee had forwarded a check for \$1,500 to the congregation of a Negro church in Pemiscot county, Mo., to rebuild its church destroyed by fire.

A republican rally was held at the church last week at which Walter Lathen, St. Louis, spoke. Later that night, bullets were fired into his room, but he was uninjured. Shortly afterward, the burning church was discovered. Feeling ran high in the county and two federal agents were sent there to prevent an outbreak.

"We learned it would cost \$1,500 to replace the church," Mr. Vorhees said. "After paying all campaign expenses the state committee had money enough left to give the Negro congregation a new house of worship."

Hold Man at Jail for Stabbing Three in Fight

John Mitchen was being held in the city jail Tuesday night after he had been arrested in connection with the stabbing of three persons at a liquor party at 1629 Maple Street. He pleaded guilty when arraigned in municipal court to charges of assault with intent to do great bodily harm.

Among those injured in the quarrel was William Hall, 45, 1555 Buchanan Street, who was taken by police to Broadlawn general hospital, suffering from cuts about his back, left side, right wrist and head. His condition was reported Wednesday to be fair.

Mrs. Marie Banks, 36, 1629 Maple Street, was cut on her right arm, and her 11 year old daughter, Anna suffered a laceration on her right cheek. The names of six other persons who were present were obtained by the police as witnesses to the affray, which took place about 12:40 a. m.

Quarrel Over Girl

The argument, according to the confession, had been going on for some time and concerned Washington's 15-year-old daughter, Fern, with whom Davis had been keeping company.

Davis had been to the Washington home earlier in the evening, according to the confession given to the police. He then later returned to talk with Washington, who was in the room at the quarrel, Washington declared, and his shirt as though to draw a gun.

Davis pulled a .38 caliber revolver from his pocket and fired. Davis was held for further investigation at the police station and charges of murder were filed against him. He was indicted by the Grand Jury following a murder verdict by the Governor's jury Tuesday.

CHAUNCEY DOWNS AND HIS RINKEY DINKS WITH IOLA BURTON, BLUES SINGER

They are actually coming! Chauncey Downs and his eleven Rinky Dinks will positively appear at the Ritz Monday night November 19, in a heated battle of bands with Ray Dysart and his eight Rhythm Kings, according to a telegram received last night from the famous leader of the Kansas City radio band.

Iola Burton To Come
The Rinky Dinks, according to Chauncey's telegram are bringing an added attraction with them in the person of Miss Iola Burton, nationally known Okeh record blues singer. She can chirp and howl!
Everything has been made in readiness for the appearance of the large orchestra, probably the first recording orchestra to ever appear in any

Des Moines hall. The Rinky Dinks are just warming up for the rival band after winning a \$1,000 purse from Bennie Moton's band in at the Paseo in Kansas City last week.
Dysart Is Ready
Dysart with the addition of a new saxophone, piano and trombone players, declares that he doesn't mean to let the Kansas City band walk

away with the cake as easy as Bennie did in Kansas City. "Chauncey and I have been rivals in the Orchestra field for a long, long time," he said, "and I have generally been on the lucky side; but Chauncey has blood in his eye this time and means to get revenge." Dysart said that he will carry a ten-piece band especially for that night.

CORINTHIAN BAPTIST NOTES

Sunday, Nov. 11 was a day of service at Corinthian Baptist church. The morning services were well attended. The pastor, Rev. Geo. W. Robinson preached from the subject, "The Handwriting on the Wall". The sermon was not directed to stir the emotions of the congregation, but directed to the intellect. The afternoon services were under the direction of the Y. M. C. A. which served to begin the observance of their week of prayer. Following an excellent program, Rev. Geo. W. Robinson made an appealing address from the subject, "Our Father". Music was furnished by the Gospel Choir.

The evening services were the annual sermon of the Corinthian church choir. The pastor's text was Eph. 5:13. Subject, "Music". Needless to say, the sermon was spiritual and instructive. Preceding the sermon, Mrs. W. M. Thomas presented a program consisting of a pantomime "Rock of Ages". The solo part was rendered by Mrs. Leslie Brooks, piano solo by Rodessa Roberts, a pupil of Miss Mildred Marshall and Pauline Wilkinson of Drake University. The talent displayed by the two little girls was worth comment. Music was furnished by the Gospel choir. The chairman, Mrs. W. M. Thomas was assisted by her committee, Mrs. Houston, Mrs. Johnson and Prof. F. G. Goggins.

The Corinthian Baptist choir was organized in June, 1898. During 30 years they have had only five choristers, Mr. Walker, Mr. Houston, Mr. Warrick, Mr. H. R. Graves and the present chorister, Prof. F. G. Goggins. They have had also eleven organists, Mrs. Eva Owens, Mrs. Della Bryant, Mrs. Carrie Laws, Mrs. Delza Hammitt, Mr. Malcolm Griffith, Mrs. Willa

James Ashford, Mrs. Rosa Gibson Bish, Miss Gladys Williams, Miss Bird L. Sullivan, Miss Elizabeth Graves and the present organist, Miss Mildred Marshall. The membership at present time is 21 under the leadership of Prof. Goggins.

Mrs. Ricks was removed from her home to the Mercy Hospital. The repairs on the basement of the Third Baptist church have been successfully completed. Five sacks of cement were donated by a well wisher of the church. The revival at the

Third Baptist church is going strong. Rev. White of Perry, Iowa, is the speaker. The spiritual strength of the church and surrounding communities is being greatly renewed. Last Wednesday night was given over by the speaker to a lecture sermon on "The Negro". The theme was that "Every Nation that forgets God shall be turned into Hell." The Negro is traveling that way. Lyle Williams has become a member of Third Baptist church and has been elected vice-president of the B. Y. P. U. Last Sunday gave him an opportunity to prove that he is really interested and capable. Rev. Moore of the A. M. E. church attended the revival meeting last week. He expressed his pleasure and promised if possible to return. The newlyweds, Miss Edna Man Allen and Chester Wyatt have returned from their honeymoon to the groom's home.

We have found but one Negro who admitted that he voted for Al Smith and this in spite of the announcement that seventy-five

division of the republican state central committee also assisted the western division in organizing the forces in Iowa and the middle west, in rolling a big majority for Herbert Hoover and Chas. Curtis; and in this connection, Mrs. Brown takes this means of expressing her personal appreciation as well as that of the G. O. P., to all persons who in any way assisted in this great victory.

Mrs. Brown wishes to call special attention to the work of Mrs. Jennie Owens of Ottumwa; Mrs. C. D. Bland of Keokuk; Mrs. A. C. Dent of Waterloo; Mrs. Christina Althaus of Council Bluffs; Mrs. Ernest De Vann of Moran; Mrs. Coffman of Ft. Dodge; Mrs. Lucy King of Ft. Madison; Mrs. Emma Hicks of Centerville; Mrs. Jennie Wilson of Haydock and others, for their untiring services in arranging public meetings which in addition to the lining up of the women's votes, went a long way toward the awakening of the interest of the voters of the communities in general.

Mrs. Brown also expresses her appreciation to the male members of both the State and County Committees whom she says gave valuable assistance in putting over the campaign.

Editor Must Never Err
When a plumber makes a mistake, he charges twice for it. When a lawyer makes a mistake, it is just what he wanted, because he has a chance to try the case all over again. When a carpenter makes a mistake, it's just what he expected. When a doctor makes a mistake, he buries it. When a judge makes a mistake, it becomes the law of the land. When a preacher makes a mistake, nobody knows the difference. But when the editor makes a mistake—good-night!—The Outlook.

As I am certain many worthy people

throughout the country have had the same kind of eye trouble that befell me about 18 years ago, I felt it my duty to make public certain facts in their behalf. For 13 years I labored under the impression that I would eventually go blind, as my eyesight was gradually leaving me. I consulted some of the best eye doctors in Sweden and Germany, but their treatments availed nothing. Since then I was fitted with glasses by some of the most prominent eye specialists in this country, but with the same unsatisfactory results. Not only did my sight grow dimmer at each change of glasses, but the glasses became unbearable that I could not stand the light and often had to give up work altogether. For 3 years I tried to use a strong hand magnifying glass in order to read ordinary newspaper print. The several testimonials from people I knew who had been afflicted with eye trouble and whose vision had been restored by using special ground glasses prescribed by Lew Arutz, I at once went and had my eyes examined by some of the best eye specialists in the city. They informed me I had a bad case of astigmatism which could not be properly fitted with glasses. I could not help but believe that assertion and looked upon it as only a trade talk, as I should have been well pleased that time if only had I had previously consulted and had my eyes examined by some of the best eye specialists who informed me that my sight would never be perfect and I was almost gradually going blind, but in the hope that Lew Arutz could help me some, I ordered the glasses. And to my surprise, when I first put them on, vision was at once fully restored. I could discern small objects which had not been seen for years, read the finest print perfectly and I could see clearly at a distance without any inconvenience with the same glasses. This is how over 2 years ago and in that time I have almost been entirely free from headaches. I think Lew Arutz is a man of great abilities, an optician who does more good for eyesight sufferers than any other man in the state today.
Respectfully, C. J. HEDLUND
