Prelate To Receive No Salary For Three Years

Cleveland, O., May 12—Rt. Rev. William Tecumseh Vernon, presiding bishop of the Twelfth Episcopal District of the African Methodist Episcopal Church, was found guilty of misappropriating \$17,360, Monday afternoon, and suspended for 48 months without salary. The trial took place at the quadrennial conference in session here this week.

Bishop Vernon was first tried before the Judiciary Committee, a sub-committee of the Episcopal Committee. He and his council were present. He was defended by Rev. J. D. Dennis. The Rev. C. E. Brooks represented the church. The judiciary committee, composed of one man from each annual conference, found him guilty. The verdict was unanimous. The Episcopal Committee then passed upon the facts as reported by the Judiciary Committee and the vote was 60 to 1 in favor of conviction.

The matter was then brought before the general conference and after an hour of debate, the Episcopal committee's report was adopted by a vote of 480 to 138.

Dr. Medbury Honored By D.M. Interracial Commission

As a fitting tribute to the memory of one of its charter members and most ardent supporters, the Des Moines Interracial Commission devoted the entire program at its monthly meeting Monday evening to a memorial service in honor of the late Rev. Dr. Chas. S. Medbury, for twenty-eight years pastor of the University Church of Christ, who was chairman of the Commission's Committee on Church Relationship. The service was opened by invocation by the Rev. Dr. Stoddard Lane.

Brief eulogies of Dr. Medbury were given by the Rev. Geo. W. Robinson, the dean of Des Moines ministers, spoke of Dr. Medbury as a minister of the Gospel; the Rev. Dr. Clifton E. Rash, who was formerly a member of the church pastored by Dr. Medbury, as a pastor; Atty. Gertrude E. Rush, who, as a social service worker and Editor of Harvey Ingham of the Des Moines Register and Evening Tribune, spoke of Dr. Medbury as a citizen and the Rev. Dr. H. L. Overton closed the service with the benediction.

State-Wide 'Interracial Conference' Planned

The Des Moines Interracial Commission received a communication from Dr. Geo. E. Haynes of New York City, Director of the work of Interracial Commissions throughout the North and East, offering to send one or more of his staff workers to Des Moines to direct a State-wide Interracial Conference at a date to be agreed upon next Fall or winter.

The chairman appointed a committee consisting of Dr. Stoddard Lane, Mrs. S. Joe Brown, Atty. Jas. B. Morris, Mr. J. C. Lewis and Dr. Geo. W. Robinson, to get into communication with representative citizens in each city and town in the State having a population of five hundred or more Negroes, with a view to having them represented in this interracial conference.

Henri Hill, of New York City, was master of ceremonies. Speeches were made by J. C. Allen and Geo. Edmonds. Musical numbers were given by the Evans Octette.

COAL INSTITUTE ENDORSES "KNOW IOWA WEEK"—URGES STATE SUPPORT

Albia, Iowa, May 12—Hugh W. Lundy, secretary of the Iowa Coal Institute, said, "The action of Governor Turner in proclaiming a 'Know Iowa Week', for the week of May 8th is to be highly commended. The favorable reception to such a movement as endorsed by the Iowa Press, Commercial and Service organizations is evidence of the merit in calling to the attention of Iowans the many advantages that are ours as citizens of our great commonwealth."

"Recognized as the garden spot of the world, with a ranking of first in production of live stock and farm products, too many of our own citizens fail to appreciate how important our industrial advantages are. With the wealth of raw materials and abundance of cheap power available from our vast deposits of coal, we should develop into the 'New England' of the Middle West."

Scottsboro Boys May Be Victims Of Court Delay

Will Suffer Fate of Sacco-Vanzetti Unless Scottsboro Petition For Review Is Presented Before May 23rd

Washington, May 12—Unless their petition for review is presented to the Supreme Court of the United States not later than May 23, the six youths condemned to death at Scottsboro, Ala., may suffer an experience similar to that of Sacco-Vanzetti, who were executed during a summer recess of the highest court and before it could consider their case.

Recently the Alabama Supreme Court, after it had refused to set aside the death penalty, postponed the execution of the boys from May 13 to June 24, to enable them to apply to the highest court for a review.

Under an order recently issued, the United States Supreme Court will receive no motions during its present term after May 23, and will end the term May 31.

Should the petition for review be received too late for presentation to the court at the present term, its filing would not act as a stay. According to Attorney General Knight, the Alabama courts would be powerless to further delay the execution to enable the Supreme Court on reassembling in October to consider the matter.

LYNCHING MOES REPUDIATED BY MISSISSIPPI WOMEN

Hundreds Pledge Efforts to End Mob Violence—Thousands Enrolled in Other States

Jackson, Miss., May 13—More than a thousand Mississippi women in 464 different towns and cities have gone on record in a united protest against lynching and have signed a pledge to do every thing possible to end mob violence, through the press, the pulpit, the schools, and the influence of the home.

Additional signers are being enrolled constantly through the efforts of the Association of Southern Women for the Prevention of Lynching. The Mississippi branch of the Association is headed by Mrs. L. W. Alford of McComb, who is giving much time to the promotion of the movement throughout the state, visiting all the important meetings of women and laying before them the program of the Association.

Musicians Union Insults Negroes

N. A. A. C. P. Sends Warning It Will Fight Objectionable Ruling

New York, May 13—A ruling by the American Federation of Musicians, establishing subsidiary local unions for Negroes only, and subjecting these locals to the dictation of the white locals has drawn a strong letter of protest from the N. A. A. C. P., which warns the Federation that this ruling will be bitterly fought.

The ruling of the Musicians Federation was first reported to Dr. T. A. Curtis, President of the St. Louis N. A. A. C. P. who at once sent a protest to Joseph N. Weber, President of the Musicians Federation and then forwarded the correspondence to the N. A. A. C. P. National Office. The ruling by the white federation not only establishes Negro locals as subsidiary to the white, but provides that members of Negro and white locals can only mingle for professional purposes with the consent of both locals and provides for trial of Negro members by the white local.

CAPTIVATES DES MOINES

Mrs. Nettie George Speedy, woman's page editor of the Chicago Defender, addressed the Women's Day and Mother's Day services at St. Paul A. M. E. Church last Sunday, sponsored by a committee of St. Paul's A. M. E. Church, headed by Mrs. S. Joe Brown, who had full charge of the services of the day.

She was the guest speaker at the annual membership dinner and election of the Crocker Street Branch Y. M. C. A., held at the Corinthian Baptist Church, Saturday evening. Mrs. Speedy was a member of the first Committee of Management of the South Parkway Branch of the Y. W. C. A. in Chicago and is still serving as a Board member.

Sunday morning the auditorium of St. Paul's Church was packed with an audience, eager in their anticipation to see and hear this great woman from whose versatile pen they had read many interesting stories; she charmed her audience with a real motherly message upon her rather unique subject, the three M's, "Maidens, Matrons and Mothers."

The "Women's Day" program at St. Paul's was concluded with a platform meeting in the evening, at which brief addresses upon various phases of motherhood were delivered by Mrs. Goldie Fant, Corresponding Secretary of the Northwestern Conference Branch of the A. M. E. Church; Mrs. Margaret Patten, Past President of the Iowa Federation of Colored Women's Clubs; and Mrs. Estella Broomfield and Mrs. C. L. Washington, Conference Evangelists; Mrs. Izora Mackay, President of the Des Moines District Mite Missionary Society and Mrs. Anna B. Simmons, President of the Des Moines District Normal Institute and a solo, "Mothers Prayer" by Mrs. Sophia Nichols.

At the conclusion of the program Mrs. Speedy was again presented and made some very complimentary remarks upon the work of the various departments of the church, including the all-women choir, under the direction of Mrs. Joburness Kelso, which furnished the music for both services and the Sunday School. She returned to Chicago Monday morning.

Both of the Justices appointed after the Parker defeat, Justice Owen J. Roberts and Justice Benjamin N. Cardozo, voted with the majority, Justice Cardozo handing down the decision.

Negro Athletes Star In Annual Drake Relays

Metcalfe and Brooks, Olympic Prospects, Flash In Brilliant Record Breaking Feats

By Everett Wadsworth

The 23rd Annual Drake Relays passed into history Saturday evening, with two world's records equalled, an American record broken and eight meet marks swept into oblivion, as two thousand Olympic inspired athletes from 66 schools of 14 states competed in the midwestern classic. Ten thousand fans attended the two-day track carnival at the Drake Stadium, Friday and Saturday. The Negro athletes exceeded all expectations in their stellar performances in the major events.

The brilliant feats of the individual stars, Saling, of Iowa, who equalled the world's record for the 120-yard high hurdles in 14.4, and anchored the winning 480-yard shuttle hurdles relay team, and Brocksmith, of Indiana, who broke the 20-year-old American record for the two-mile run, in 9:13.6 and anchored the winning four-mile relay team, was surpassed by Ralph Metcalfe, the sensational speed demon from Marquette, who established himself as one of the greatest sprinters of all time by his spectacular dash down the 100-yard straightaway in 9.5 to equal the world's record made by Tommie Smith, in 1929. The five foot eleven sophomore ace looms as the greatest Olympic find of the year. He also anchored the winning half-mile relay team and lost the 440-yard relay race only by inches.

John Brooks, junior of Chicago, broke a relay record in the broad jump made by DeHart Hubbard of Michigan in 1924, of 24 feet, 2 1/2 inches. The youngster leaped 24 feet, 8 1/2 inches, placing his name with the great Edward Gordon, Olympic star of Iowa, who won the same event three years in succession.

Kansas Teachers Break Record

The Kansas State Teachers of Pittsburg, a formidable entry in all Drake relays had won nine college relay championships previous to this year's competition.

Madison, Kirby and Swisher, colored luminaries, assisted their teammates in annexing first and two second places in the half-mile, one-mile, and sprint medley relays, respectively. The old record made by Butler in 1925

of 1:27.8 went flying when the crack quartet stepped the half mile event in 1:27.6. Delbert White, of the same school, heaved the discus 148.70 feet to capture first honors in the weight division. Rhoads of the Kansas State Teachers of Emporia, ran anchor to place third in the sprint medley.

Robert Webb was a member of Drake's mile and half-mile relay teams. George Cranks of Loyola, ran for the two-mile team.

Future Olympic track stars were prominent in the high school and junior division. In Friday's races, Frazier, of East Des Moines High, outstepped his rivals in the special 400-yard dash in :10.5 and was lead man in the half-mile relay team which was clocked in record time, 1:32.6. Thomas and Slaughter also, were members of the East High track squad. Overton, Robinson, Willis, Johnson, Ware, and Morrow competed for North High.

Amos Hiatt Wins Shuttle Relay

Omaha (Teb) high won the mile relay (class A) with Skinner as anchor man; Muscatine high placed third with Evans anchoring for his teammates. Buckner of Davenport and Allen of Ft. Dodge were the other Iowa athletes. The junior high shuttle relay was won by Amos Hiatt with Sharpe and Wade as members of the Lee township crew.

KEEP THE RECORD

When the N. A. A. C. P. was mustering its forces in the fight to defeat Judge Parker's confirmation by the Senate, most people did not have in mind instances when that court would be almost evenly divided on an important question.

Last week when the court announced the decision on the Texas primary case, it was remarkable to note that five justices said the resolution of the Texas Democratic Committee was unconstitutional; four said it was not.

Justice Roberts who got the place for which Judge Parker was nominated was with the five. While we don't know how Parker would have stood, it is easy to see how a man who said "If I am elected governor by a single Negro vote, I do not want the office," and "the Negro has not arrived at the point where he is capable of taking part in politics" might have lined up with the dissenting four.

The N. A. A. C. P. demonstrated that it is a mighty good thing to keep a record on even the little politician because someday he may be out for something big; something important. If no record has been kept it may be easy to go wrong.

CHOOSE THE RIGHT CANDIDATE

This year an unusually large number of candidates is seeking office. It is not easy to pick the best man. But there is one test which may be easily applied. If answered satisfactorily all others are bound to be:

"If elected to office will you give the Negro group representation in the CLERICAL force in your office." It is an acid test and the formula works every time.

Voters in doubt should get this information from those who know and have demonstrated in the past that they have been able to get some of these promises fulfilled. In the meantime beware of the political club formed for the purpose of this campaign only.

SKIN DEEP RELIGION

The General Conference of the Methodist Episcopal Church is discussing its regular annual annual bugaboo "Union with the Methodist Episcopal Church South." They split over the question of slavery in 1844.

The real trouble now is due to the fact that the Negro has become so well entrenched in the Methodist Episcopal Church, many Negroes are holding general office jobs and their program is so interwoven with Negro schools that their presence in a union of the two churches would be, the Southerners feel, most embarrassing.

Of course it is this brand of skin deep religion which is making the row of the church harder to hoe; is making liberal minded people feel that much of this deep fervent religion is imbued

HEALTH TALKS "LEXS-O-GRAPHS"

By Dr. H. H. London
BACK PAIN

Many people suffer with back pain in the lower middle portion of the back and sometimes extending across on both sides. A constant ache is complained of and at other times a soreness which becomes worse on stooping over and on assuming the upright position or on bending from side to side. As a rule this discomfort ceases at night after retiring although an inability to sleep because of such pain has been the case with many.

Such a variety of different forms of discomfort in the same area makes it obvious that all could not result from the same cause and have the same location, that some must come from near the surface and others from deeper parts or organs. This condition is usually styled Lumbago by the sufferer. It may be, of course but many times it is not. Many wait for this pain to wear off and it becomes a long wait frequently. In other cases an apprehension of disease of the kidneys occurs.

When it is necessary to use the back muscles daily it is impossible to do so with pain and soreness in this region from whatever cause. As some disease of the kidney is always a possibility an examination of these organs is not amiss and will afford much relief to the mind if found healthy and the examination will reveal that real root of the trouble and worse physical conditions prevented.

only in so far as it does not run counter to the petty whims and prejudices of the people.

If the church involved had the religion Jesus Christ taught, this row would not occur quadrennially. But they don't and the trouble goes on.

Answer to Last Week

No. Anyone to recover on an insurance policy must have an insurable interest in the party insured. An insurable interest is that interest so understanding as to create a duty running from the insured and the insurer. Example: A wife has an invaluable interest in her spouse—vice-versa.

Question for This Week:

Jack set fire to brush on his land, and with no fault on his part. Tom's land was injured. Is Jack liable?

Each week the Counsellor will submit a statement of facts to the Readers of THE BYSTANDER and will likewise ANSWER the same in the following issue and will answer any legal question in his column sent to him.

Normal at Kalamazoo, breezed along to a time of 53.3 seconds in the 400-meters hurdles, leading Burke, of Georgetown, by six yards. And that 53.3 set a new relay mark and was the first record to fall.

Howard Spencer, of Geneva, went over the high jump bar at 6 feet, four inches, a height which turned back the Columbia star, O'Connor. The stick was then placed at 6 feet, 5 3/8 inches and the lanky Spencer cleared it on the third essay to equal the standard which had stood since 1917. He failed at 6 feet, 6 inches. Preston, of Lincoln, was tied for third place with Cavenu, of Princeton, and Klein, of Penn.

George Williams from Hampton institute, winner of the javelin last year, repeated his triumph with a remarkable toss of 205 feet and two and three-eighths inches. Williams has been the best in this event for the past two years and had he been pressed might have set a new mark. He won the event leisurely.

Charles Jones, known as "Indian" Jones, also set a record in the shotput when he hurled the 16-pound ball for an even 50 feet. Dues of Detroit,

another Race lad, was second in this event.
LeRoy Dues of the City College of Detroit finished second in the shot-put with a toss of 47 feet, 10 3/4 inches. Dues recently beat both Wayne Munn and Booker Brooks in an unofficial meet.

NEW YORK, May 6.—Miss Nancy Cunard (white) of London, England, daughter of Lady Cunard and heiress to the Cunard steamship fortune, has taken residence at the Grampton hotel, 182 St. Nicholas Ave., in Harlem for the purpose of knowing more about our people and to collect funds to save the seven boys in the Scottsboro, Ala., case.

Miss Cunard arrived at the hotel from Boston, where she had spent the week-end. She was greeted by batteries of photographers and newspaper reporters who had come there to follow up the story of her many friends, written by James Whitaker in the Daily Mirror, downtown tabloid, and especially stressing her alleged friendship with Paul Robeson, noted singer-actor, who is now rehearsing for the revival of Ziegfeld's "Show Boat," to open May 16, at the Casino theater.

Interviewed at the Columbia Broadcasting company's studios, where he sang over the air in company with Helen Morgan and other stars of "Show Boat," Robeson disclaimed any more than the slightest acquaintance with Miss Cunard, and for the moment paid the rumors the slighting attention of neglect. He in no manner seemed disquieted and took the whole affair of the publicity on a man in public life who had been the object of just another silly story.

It is Maytime. Soon the mails will be flooded with invitations to different hospitalities so that the new glances may be impeded by their spic and span attire and modern conveniences. Dinner parties are always very popular at this time of year, for dining rooms in prominent homes can always be seen at an advantage of spring.

Not a dull moment is there these days when the very air bids one travel. And many a trip minded person is obeying this call, some coming here from other cities to visit, some leaving to visit friends or relatives in elsewhere, but these new arrivals may help to fill the places left by other visitors who are concluding their stay here.

Mrs. Agnes Lee Hermansen, who is completing her first elective term as county recorder for Polk county, has announced that she will be a candidate for nomination to a second term.

Mrs. Hermansen bases her candidacy for renomination on the record she has made in the office during the few months in which she served as recorder by appointment, following the death of Mrs. Fleur, about two years ago; and also on the record she has made during the nearly two years in which she has served the county by virtue of election by the voters.

When Mrs. Fleur was recorder Mrs. Hermansen served as her deputy, and at the death of Mrs. Fleur she was named by the unanimous vote of the board of supervisors to succeed to the office.

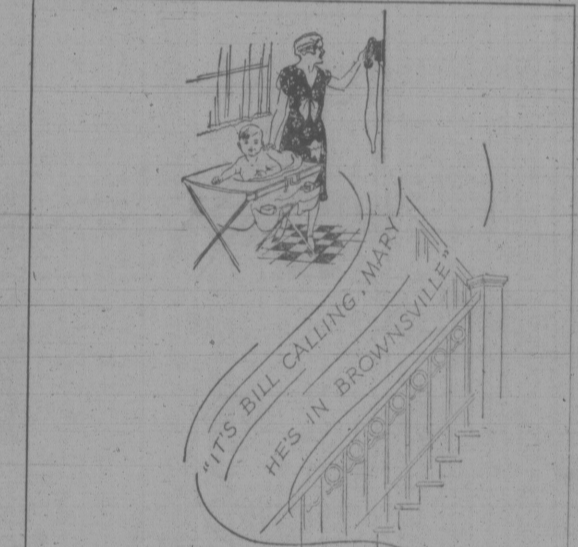

Opinion Delivered by Justice Cardozo

WASHINGTON, D. C., May 6.—The United States supreme court decided Monday that the method used by the state of Texas in regulating party primaries so as to exclude qualified Negro voters was an infringement of the 14th amendment. The decision was close, 5 to 4.

Justices Cardozo, Brandeis, Stone, Roberts and Chief Justice Hughes declared the state legislation by which white election officials acting under powers delegated them by the state legislature prohibited our people from voting in the Democratic primaries to be unconstitutional.

Sheriff Keeling Seeks Re-election

SHERIFF KEELING COMPLETES YEAR OF PUBLIC SERVICE

1931 a Busy Year for Sheriff and His Staff

Just one year ago Charles Keeling was selected by the board of supervisors as the right man, (according to their best judgment) to fill the vacancy in the sheriff's office, brought about by the untimely death of William Walker.

In accepting the appointment Mr. Keeling said he would do his best to carry out the program as outlined by Mr. Walker for conducting the affairs of the sheriff's office—also pledging the Polk county citizens his undivided time and personal efforts to give to them the very best law enforcement program possible.

The year 1931 brought forth many problems for solution. With the crime wave rising higher and higher each month of the year, Sheriff Keeling and his well organized staff of deputies including Deputy Sheriff Lloyd McGuire, left no stone unturned in their efforts to check the crime wave and to bring to justice the offenders of the law.

Approximately 700 criminal cases were investigated during the year, and many criminals are today paying the penalty for their transgressions because of the splendid work done by Sheriff Keeling.

The sheriff has made many friends by the splendid cooperation he has given to the Ministerial association in their move to probe the crime situation in Des Moines.

If net results of things accomplished and work well done are the things required on the balance sheet of the sheriff's office, then the board of supervisors certainly feel that their appointment of Sheriff Keeling one year ago was no mistake.

Burkman to Run for Co. Attorney

CARL BURKMAN

Carl Burkman, for the past six years assistant County Attorney, has announced his candidacy for the Republican Nomination for County Attorney.

Prior to his service as assistant County Attorney, Mr. Burkman was assignment clerk in the Municipal Court where he studied law under the late Judge Bonner. During his service as an assistant County Attorney, he has been an efficient and forceful, yet very fair, trial lawyer and has won the esteem and confidence of the public.

Mr. Burkman is a World War Veteran and a member of Des Moines Branch, N. A. A. C. P.

Olmstead Runs for Co. Auditor

Colonel E. S. Olmstead, head of Olmstead Incorporated, Insurance Agency, World War and Spanish American War Veteran is a candidate for the Republican nomination for County Auditor.

Long a resident of Des Moines, Col. Olmstead has been interested in its civic and commercial activities, and has taken an active part in the general welfare of the citizens.

His wide knowledge of business affairs which has enabled him to build one of the largest Insurance Agencies in the State of Iowa admirably qualified him to conduct the office of County Auditor in an efficient and business-like manner.

The readers of the Bystander, those of Lincoln Post of the American Le-

gion particularly, have known Colonel Olmstead for a number of years, and know that he is a square shooter.

If nominated and elected, Colonel Olmstead states that he will assure every citizen of the County equal accommodations and will not at any time be governed by the selfish motives of any clicks or groups.
